Compensation Review Process	Part VI Line 15a	The President's salary is based on educational level, experience, economic strength of the organization and comparable salary scales. Comparable salary data for Foundation executives is available from such sources as the Council on Foundations, Guidestar and executive search firms. In conjunction with the annual salary review, performance appraisals are conducted. The Board meets in an executive session to review a self-evaluation. The appraisal focuses on the employee's areas of strength, needed improvement and opportunities for professional development in light of the position's responsibilities. Salary adjustment, if any, is approved by the Board. A discussion between the Chair and the President follows the Board's executive session within two weeks. The appraisal will then be summarized in writing. The Trustees are all independent with respect to the determination of the compensation of the employee.
