Page 2, Part III Statement of Program Service Accomplishments:What is the organization's primary exempt purpose?

This is RBF Dome's ninth year as an established 501(c) (3) organization. The first part of RBF Dome's mission is the recognition and preservation of the Fuller Dome property at 407 South Forest Avenue, Carbondale IL as an important historical artifact that reflects the revolutionary thinking of its designer and initial inhabitant, R Buckminster Fuller and his wife, Anne Hewlett Fuller. This property was donated to the organization on September 25, 2002. The second part of the mission is to educate the public about Fuller by creating a home museum at the restored Dome property. Fuller's philosophies and teachings will be able to be explored, at the only dome he ever lived in, through the use of tools, toys, and models. Both parts of this mission have equal importance.

Describe the organization's program service accomplishments:

RBF Dome's goal is to renovate this designated National Register of Historic Places property in accordance with the practices and guidelines set forth by the U S. Department of Interior (Secretary of Interior Standards) for historic properties. When National Landmark status is achieved it will open up several grant opportunities for the organization. The RBF Dome NFP applied, and was awarded, a National Park Service "Save America's Treasures" grant to be used towards the restoration of the dome home.

The RBF Dome NFP also engaged in a number of activities that served the dual purpose of continuing fundraising efforts while also advancing the priorities of educational outreach and networking. RBF Dome NFP fundraising efforts were driven through the sale of Buckminster Fuller and Dome Home related merchandise. Additionally, a number of private and individual tours were given throughout the fiscal year to visiting dignitaries and local townspeople alike.
