Identifier	Return Reference	Explanation
SchI_P01_S00_L02	Schedule I, Part I, Line 2	Schedule I, Part I, Line 2 - Assistance decisions are based upon a family's ability to pay for the cost of education. Parents are expected to contribute toward tuition charges up to the extent they are capable, and we expect all families will contribute some portion of the cost of their child's education. ULS uses the services of The School and Student Service for Financial Aid (SSS), in Princeton New Jersey, to determine the parents' expected contribution toward tuition charges. Families applying for aid must file a Parents' Financial Statement (PFS) with SSS. In making a FA award, ULS reviews the Report of Financial Need which is provided by SSS, alters its determination where appropriate and attempts to fund a significant portion of the difference between tuition and the parents' expected contribution. FA awards carry no obligation to be repaid by the family receiving the award. Students on financial assistance are expected, like all students at ULS, to maintain a high academic average, to be good citizens of the school community, and to contribute to the school's extracurricular activities. FA is awarded on a yearly basis and families must file a PFS every year they desire assistance. Purposes of the Financial Assistance Program (FAP) To support the mission of the school in attracting a diverse and talented student body, To enhance the school's environment by enabling students from diverse economic and cultural backgrounds to enroll, To assist families with the increasing burden of tuition for two or more children, To make it possible for ULS to seek out prospective students of the greatest potential and promise. Eligibility for FA Awards a) Candidates must meet all admission requirements and be approved by the admission committee without regard to economic status. b) Established financial need, as shown by the SSS application and most recent 1040 tax return. c) Students entering grades six through 12 are eligible to apply for financial assistance. Families with students in lower grades may apply if temporary or extenuating circumstances dictate financial need. d) Candidates should possess the personal qualifications that predict a satisfactory social adjustment to ULS and an ability and desire to use the school's preparation for further education. e) The candidate and his/her parents must be in good standing with the sending school. o Procedures for Awarding FA a) In addition to all other requirements for admission, a Parent's Financial Statement must be submitted to the School and Student Service for Financial Aid. This application requests information pertaining to the family's ability to pay for independent education. b) The family must supply the Director of Admissions and FA with the preceding year's tax forms. These forms are used to verify information supplied on the SSS application and identify extenuating circumstances. c) Once all required materials are submitted and the family has a demonstrated need, ULS offers a FA award. Typically, awards range from 60 to 80 percent of the family's demonstrated need, and no more than 80 percent of the tuition cost. o Financial Assistance Renewals a) Students receiving FA must meet the published academic and citizenship requirements of their division to be eligible for renewal. b) The student's attitude toward and general contribution to the school and his/her willingness to achieve to the best of his/her ability are important considerations in the renewal process. c) Unless a family's financial situation has changed significantly within the past year, they may expect to receive a similar award. d) The parents' support of and cooperation within the school community are also an important consideration in the renewal process. e) Families must reapply for FA each year. o Returning Students Requesting Assistance for the First Time a) The FA office accepts
