Form 990-EZ - Explanation of Amended Return

Form 990-EZ has been amended to remove Mathcounts assets from the books

Upon reviewing the financial statements for Wisconsin Society of Professional

Engineers (WSPE) it was discovered that the WSPE's financials included assets that

should not have been on their books. A separate organization holds the assets in

questions and reports all income relating to them on their own tax return. Because

this situation started more than three years ago, and because there has been no

impact on the reported revenue of the last three years it was decided to correct it

by amending WSPE's most recently filed return. This Amended return seeks to correct

that situation by removing the Assets from their books. There are a number of other

minor adjustments due to a resulting from a bookkeeping review.

Form 990-EZ, Part III - Organization's Primary Exempt Purpose

To promote the ethical, competent, and licensed practice of engineering; to

enhance the professional, social, and economic well being of its members; and to

promote interest and awareness of Science, Technology, Engineering, and

Mathematics (STEM).
