The lobbying activities include such things as preservation of Medicare and Medicaid funding, monitoring federal legislation that may impact the organization, participating in and coordinating visits with elected officials, coordinating advocacy activities in conjunction with relevant trade associations, and providing awareness on specific state related legislative issues when the need arises (e.g., state hospital assessment legislation in Wisconsin). The portion of direct expenses related to annual employee business travel to Washington DC or other locations, in order to lobby for issues important to healthcare providers and patients, have been included if applicable. Finally, any trade association dues containing a percentage portion allocable to lobbying activities, has been added or estimated, as appropriate.
