The organization has traditionally received money from a local governmental unit. Because of a lawsuit that the governmental unit was involved in, the money was not received in tax years 2010 and 2011. When the organization determined that it might not be receiving any more money in the future, it solicited funds from other sources. The organization is confident that it has secured adequate funding from other local organizations for the current (2012) tax year and for future tax years.

The organization does have a governing body that represents the broad interests of the public and provides services directly for the benefit of the general public on a continuing basis.
