racial composition of the student body, faculty, and the administrative staff due to our small size. We do not discriminate against any student or family based on racial composition.

4.b - Paideia does not document that our financial assistance is awarded on a racially non-discriminatory basis. Paideia uses an outside, third party financial assistance firm that our families apply to that handles all of the financial information. Financial assistance is awarded based on the amount of funds that have been raised for a given academic year. It is a blind process, therefore Paideia does not keep up with how financial assistance is awarded, other than what percentage of our school is receiving aid.
