Identifier	Return Reference	Explanation
Description of Intended Use of Endowment Funds	Part V, Line 4	The Organization has adopted investment and spending policies for investment assets that attempt to provide a predictable stream of funding to programs supported by its endowment while seeking to maintain the purchasing power of the endowment assets. Investment assets include those assets that the organization will designate for a specific purpose as board-designated funds. Under this policy, the assets are invested in a manner that seeks both preservation of capital and growth of capital on a real return basis. Asset Allocation guidelines have been established for the assets based on liquidity needs and time horizon. The rebalancing of assets will occur annually, or as needed and will be reviewed by the Board of Directors. During the course of a complete market cycle, the total return objective shall be to achieve a return greater than capital market returns with a similarly weighted asset allocation. Actual returns in any given year may vary from this amount.
Description of Uncertain Tax Positions Under FIN 48	Part X	The Organization and its consolidated corporations are required to file a Return of Organization exempt from Income Tax (Form 990) with the IRS. In addition, the Organization is subject to income tax on net income that is derived from business activities that are unrelated to its exempt purpose. The State of South Dakota does not have an income tax. The Organization believes it has appropriate support for any tax positions taken affecting its annual filing requirements, and as such, does not have any uncertain tax positions that are material to the financial statements. The Organization will recognize future accrued interest and penalties related to unrecognized tax benefits in income tax expense if such interest and penalties are incurred.
