INDEPENDENT AUDITOR'S REPORT

The Board of Directors Prairie View, Inc Newton, Kansas

We have audited the accompanying balance sheets of Prairie View. Inc. (a nonprofit Kansas corporation) as of June 30, 2012 and 2011, and the related statements of operations and cash flows for the years then ended These financial statements are the responsibility of the Organization's management. Our responsibility is to express an opinion on these financial statements based on our audits

We conducted our audits in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audits to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audits provide a reasonable basis for our opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Prairie View. Inc. as of June 30, 2012 and 2011, and the changes in its net assets and its cash flows for the years then ended, in conformity with accounting principles generally accepted in the United States of America.

In accordance with *Government Auditing Standards*, we have also issued our report dated September 27. 2012, on our consideration of Prairie View. Inc 's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* and should be considered in assessing the results of our audit

Our audit was conducted for the purpose of forming an opinion on the basic financial statements. The accompanying schedule of expenditures of federal awards is presented for purposes of additional analysis as required by U.S. Office of Management and Budget Circular A-133. *Audits of States. Local Governments, and Non-Profit Organizations,* and is not a required part of the basic financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the schedule of expenditures of federal awards is fairly stated in all material respects in relation to the financial statements as a whole

NOTES TO FINANCIAL STATEMENTS

June 30, 2012

1 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Organization

Prairie View. Inc. is a private, psychiatric hospital and mental health center providing services to clients primarily in south-central Kansas

Cash and Cash Equivalents

Cash and cash equivalents include investments in highly liquid debt instruments with a maturity of three months or less, excluding institutional money market funds held in brokerage accounts

Accounts Receivable

Accounts receivable consist primarily of amounts billed to patients and/or third-party insurers for services provided. Accounts receivable are stated at unpaid balances, less an allowance for doubtful accounts. The Organization provides for losses on accounts receivable using the allowance method. The allowance is based on experience, third-party contracts, and other circumstances which may affect the ability of patients to meet their obligations. Receivables are considered impaired if full principal payments are not received in accordance with the contractual terms. It is the Organization's policy to charge off uncollectible accounts receivable when management determines the receivable will not be collected. The Organization does not charge interest on outstanding receivables.

Investments

In accordance with generally accepted accounting principles, investments in equity securities that have a readily determinable fair value and all debt securities are recorded at fair value, which is the amount at which an asset could be bought or sold in a current transaction between willing parties. All other investments are recorded at cost if purchased and at fair value at date of gift if donated. Investment income includes interest and dividends.

Property Assets

Property asset additions that cost \$1,000 or more and have an estimated useful life in excess of one year are recorded at cost and are depreciated using the straight-line method over the following estimated useful lives

Building and grounds 5 to 40 years Equipment and fixtures 3 to 15 years

Unrestricted and Restricted Net Assets

The Organization reports gifts of cash and other assets as restricted support if they are received with donor stipulations that limit the use of the donated assets. When a donor restriction expires, that is, when a stipulated time restriction ends or purpose restriction is accomplished, temporarily restricted net assets are reclassified to unrestricted net assets and reported in the statement of operations as net assets released from restrictions.

The Organization reports gifts of land, buildings, and equipment as unrestricted support unless explicit donor stipulations specify how the donated assets must be used. Gifts of long-lived assets with explicit restrictions that specify how the assets are to be used and gifts of cash or other assets that must be used to acquire long-lived assets are reported as restricted support. Absent explicit donor stipulations about how long those long-lived assets must be maintained, the Organization reports expirations of donor restrictions when the donated or acquired long-lived assets are placed in service.

Net Patient Service Revenue

The Organization has agreements with third-party payors that provide for payments to the organization at amounts different from its established rates. Payment arrangements include prospectively determined rates per discharge, reimbursed costs, discounted charges, and per diem payments. Net patient service revenue is reported at the estimated net realizable amounts from patients, third-party payors, and others for services rendered, including estimated retroactive adjustments under reimbursement agreements with third-party payors. Retroactive adjustments are accrued on an estimated basis in the period the related services are rendered and adjusted in future periods as final settlements are determined.

NOTES TO FINANCIAL STATEMENTS

June 30, 2012

1 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Premium Revenue

The Organization has agreements with various organizations to provide employee assistance services to subscribing participants. Under these agreements, the Organization receives capitation payments based on the number of participants, regardless of services actually performed

Charity Care

The Organization provides care to patients who meet certain criteria under its charity care policy without charge or at amounts less than its established rates. Because the Organization does not pursue collection of amounts determined to qualify as charity care, they are reported as a deduction from revenue

Income Taxes

The Organization is a not-for-profit corporation as described in Section 501(c)(3) of the Internal Revenue Code and is exempt from federal and state income taxes on related income pursuant to Section 501(a) of the Code

Estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates

2 NET PATIENT SERVICE REVENUE

The Organization has agreements with third-party payors that provide for payments to the Organization at amounts different from its established rates. Total discounts amounted to \$6,504,844 during the year ended June 30, 2012 (\$6,968,958 in 2011). A summary of the payment arrangements with major third-party payors follows

Medicare

Inpatient acute care services rendered to Medicare program beneficiaries are paid at prospectively determined rates per discharge. These rates vary according to a patient classification system that is based on clinical, diagnostic, and other factors. Inpatient nonacute services, certain outpatient services, and defined capital and medical education costs related to Medicare beneficiaries are paid based on a cost reimbursement methodology. The Organization is reimbursed for cost reimbursable items at a tentative rate with final settlement determined after submission of annual cost reports by the Organization and audits thereof by the Medicare fiscal intermediary.

Medicaid and Commercial Insurance

The Organization has entered into payment agreements with Medicaid, certain commercial insurance carriers, health maintenance organizations, and preferred provider organizations. The basis for payment to the Organization under these agreements includes prospectively determined rates and discounts from established charges

6 ENDOWMENT

The Organization's endowment consists of donor-restricted and board-designated endowment funds, and accumulated earnings or deficit thereon. As required by generally accepted accounting principles (GAAP), net assets associated with endowment funds are classified and reported based on the existence or absence of donor-imposed restrictions. The Board has interpreted the Kansas Uniform Prudent Management of Institutional Funds Act (KUPMIFA) as requiring the preservation of the fair value of the original gift as of the gift date of the donor-restricted endowment funds absent explicit donor stipulations to the contrary. As a result of this interpretation, the Organization classifies as permanently restricted net assets the original value of gifts donated to the permanent endowment and the original value of any subsequent gifts to the fund. Unappropriated earnings on the permanent endowments are classified as temporarily restricted until those amounts are appropriated for expenditure by the Organization in a manner consistent with the standard of prudence prescribed by KUPMIFA, and on the board-designated endowments as unrestricted. In accordance with KUPMIFA, the Organization considers the following factors in making a determination to appropriate or accumulate donor-restricted endowment funds.

- (A) The duration and preservation of the fund
- (B) The purposes of the Organization and the donor-restricted fund
- (C) General economic conditions
- (D) The possible effect of inflation and deflation
- (E) The expected total return from income and appreciation of investments
- (F) Other resources of the Organization
- (G) The investment policies of the Organization

Funds with Deficiencies

From time to time, the fair value of assets associated with individual donor-restricted endowment funds may fall below the level that the donor or KUPMIFA require the Organization to retain as a fund of perpetual duration. Deficiencies of this nature, which are netted against unrestricted net assets, result from unfavorable market fluctuations. There were no deficiencies as of June 30, 2012 or 2011.

NOTES TO FINANCIAL STATEMENTS

June 30, 2012

Return Objectives and Risk Parameters

The Organization has adopted investment and spending policies for the endowment assets that attempt to provide a predictable stream of funding for support of the Organization's programs while preserving the real value of financial assets. To satisfy its long-term objectives, the Organization relies on a total return strategy with prudent risk-limits in which investment returns are achieved through both capital appreciation and current yield. In order to create a stable income flow, the long-term annualized rate of return objective, net of fees, is to equal or exceed the Consumer Price Index plus 3%. A minimum rate of return equal to the Consumer Price Index is required to preserve the real value of financial assets, and the additional 3% is required to provide support of the charitable mission over the long-term. The investment guidelines are based on an investment horizon of greater than five years, and a higher short-term volatility in these assets is to be expected and accepted.

Strategies Employed for Achieving Objectives

To satisfy its long-term objectives, the Organization relies on a total return strategy in which investment returns are achieved through both capital appreciation (realized and unrealized) and current yield (interest and dividends). In order to achieve its long-term objectives within prudent risk constraints, the Organization targets a diversified asset allocation utilizing the following approximate guidelines.

| Fixed income | 30% |
|-------------------------|-----|
| Domestic equities | |
| Large cap | 30% |
| Small/mid cap | 10% |
| International equity | 15% |
| Alternative investments | |
| Real estate | 5% |
| Commodities | 5% |
| Tactical allocation | 5% |

Spending Policy and How the Investment Objectives Relate to Spending Policy

The purpose of the endowment is to provide a perpetual source of support to the Organization's programs. The Organization's spending policy allocates total earnings from the portfolio between current spending and reinvestment for future earnings and has been designed with three objectives in mind to provide current programs with a predictable, stable stream of revenues, to ensure that the purchasing power of this revenue stream does not decline over time, and to ensure that the purchasing power or real value of the endowment does not decline over time.

The spending policy calculation equals 40% to 45% of the arithmetic mean (average) of the market value of the fund for the previous five fiscal years. The spending amount may be suspended or amended during periods of downward market trends by action of the Finance Committee.

NOTES TO FINANCIAL STATEMENTS

7 SELF-INSURANCE

The Organization is self-insured for disability, life, and unemployment. As part of their long-term disability insurance plan, the Organization is liable for claims from the 31st day through the 180th or 360th calendar day, depending upon compensation level. On July 1, 1985, the Organization began coverage on the first \$5,000 of each eligible term life insurance policy. As of January 1, 1979, the Organization elected to be a reimbursing employer under the Kansas unemployment tax law Management has estimated the self-insurance liability to be \$15,984 at June 30, 2012 (\$54,371 at June 30, 2011)

8 ANNUITIES PAYABLE

The Organization has accepted gifts in return for lifetime annuities from some of its contributors. The term of these annuities varies, depending upon the life expectancy of the recipients. The assets received are recorded at fair value and a liability is recorded equal to the actuarial present value of the payments expected to be made to the contributors using a 6.0% discount rate. At June 30, 2012, assets and liabilities related to annuities totaled \$106,628 and \$45,379, respectively. At June 30, 2011, assets and liabilities related to annuities totaled \$115,729 and \$47,815, respectively.

9 RETIREMENT PLAN

All employees who work at least 1,000 hours and are employed for one year are eligible to participate in the Organization's defined contribution retirement plan. Benefits vest 20% per year beginning after two years, becoming fully vested after six years. All costs are accrued and funded on a current basis. The contribution percentage at June 30, 2012 and 2011 was 3%. Total retirement expense was \$331,227 for 2012 (\$322,072 for 2011)

10 CONCENTRATIONS OF CREDIT RISK

Receivables

The Organization grants credit without collateral to its patients, most of whom are local residents and are insured under third-party payor agreements. The mix of gross receivables from patients and third-party payors at June 30 is as follows

| | | 2011 |
|--------------------------|-----------------|-----------------|
| Medicare | 12 80% | 11 10% |
| Medicaid | 22 40% | 18 40% |
| Blue Cross | 8 10% | 5 90% |
| Other third-party payors | 27 80% | 38 20% |
| Patients | <u>28 90</u> % | <u>26 40</u> % |
| | <u>100 00</u> % | <u>100 00</u> % |

Prairie View establishes an allowance for doubtful accounts based upon allowance rates for five different aging ranges based upon historical trends and other information. Management believes the concentration of credit risk is minimal due to the nature of the receivables and the collection history of these types of accounts.

Cash in Bank

The Organization had cash in banks that exceeded FDIC limits by \$643,646 at June 30, 2012

REPORT ON INTERNAL CONTROL OVER FINANCIAL REPORTING AND ON COMPLIANCE AND OTHER MATTERS BASED ON AN AUDIT OF FINANCIAL STATEMENTS PERFORMED IN ACCORDANCE WITH GOVERNMENT AUDITING STANDARDS

The Board of Directors Prairie View, Inc Newton, Kansas

We have audited the financial statements of Prairie View. Inc. (a nonprofit Kansas corporation) as of and for the year ended June 30, 2012, and have issued our report thereon dated September 27, 2012. We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States

Internal Control Over Financial Reporting

Management of Prairie View. Inc is responsible for establishing and maintaining effective internal control over financial reporting. In planning and performing our audit, we considered Prairie View. Inc 's internal control over financial reporting as a basis for designing our auditing procedures for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of Prairie View. Inc 's internal control over financial reporting. Accordingly, we do not express an opinion on the effectiveness of Prairie View. Inc 's internal control over financial reporting.

A *deficiency in internal control* exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct misstatements on a timely basis. A *material weakness* is a deficiency, or a combination of deficiencies, in internal control such that there is a reasonable possibility that a material misstatement of the Organization's financial statements will not be prevented, or detected and corrected on a timely basis

Our consideration of internal control over financial reporting was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control over financial reporting that might be deficiencies, significant deficiencies or material weaknesses. We did not identify any deficiencies in internal control over financial reporting that we consider to be material weaknesses, as defined above

Compliance and Other Matters

As part of obtaining reasonable assurance about whether Prairie View. Inc 's financial statements are free of material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit and, accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*

INDEPENDENT AUDITOR'S REPORT ON COMPLIANCE WITH REQUIREMENTS THAT COULD HAVE A DIRECT AND MATERIAL EFFECT ON EACH MAJOR PROGRAM AND ON INTERNAL CONTROL OVER COMPLIANCE IN ACCORDANCE WITH OMB CIRCULAR A-133

The Board of Directors Prairie View, Inc Newton, Kansas

Compliance

We have audited Prairie View. Inc 's (a nonprofit Kansas corporation) compliance with the types of compliance requirements described in the *OMB Circular A-133 Compliance Supplement* that could have a direct and material effect on each of its major federal programs for the year ended June 30, 2012 Prairie View. Inc 's major federal programs are identified in the summary of auditor's results section of the accompanying schedule of findings and questioned costs. Compliance with the requirements of laws, regulations, contracts and grants applicable to each of its major federal programs is the responsibility of Prairie View. Inc 's management. Our responsibility is to express an opinion on Prairie View. Inc 's compliance based on our audit

We conducted our audit of compliance in accordance with auditing standards generally accepted in the United States of America, the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States, and OMB Circular A-133, *Audits of States, Local Governments, and Non-Profit Organizations* Those standards and OMB Circular A-133 require that we plan and perform the audit to obtain reasonable assurance about whether noncompliance with the types of compliance requirements referred to above that could have a direct and material effect on a major federal program occurred. An audit includes examining, on a test basis, evidence about Prairie View. Inc 's compliance with those requirements and performing such other procedures as we considered necessary in the circumstances. We believe that our audit provides a reasonable basis for our opinion. Our audit does not provide a legal determination of Prairie View, Inc 's compliance with those requirements.

In our opinion, Prairie View, Inc. complied, in all material respects, with the requirements referred to above that could have a direct and material effect on each of its major federal programs for the year ended June 30, 2012

Internal Control Over Compliance

The management of Prairie View. Inc. is responsible for establishing and maintaining effective internal control over compliance with the requirements of laws, regulations, contracts and grants applicable to federal programs. In planning and performing our audit, we considered Prairie View. Inc.'s internal control over compliance with requirements that could have a direct and material effect on a major federal program to determine the auditing procedures for the purpose of expressing our opinion on compliance and to test and report on internal control over compliance in accordance with OMB Circular A-133, but not for the purpose of expressing an opinion on the effectiveness of internal control over compliance. Accordingly, we do not express an opinion on the effectiveness of Prairie View. Inc.'s internal control over compliance.

Prairie View, Inc Page 2

A deficiency in internal control over compliance exists when the design or operation of a control over compliance does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, noncompliance with a type of compliance requirement of a federal program on a timely basis. A material weakness in internal control over compliance is a deficiency, or combination of deficiencies, in internal control over compliance, such that there is a reasonable possibility that material noncompliance with a type of compliance requirement of a federal program will not be prevented, or detected and corrected, on a timely basis

Our consideration of internal control over compliance was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control over compliance that might be deficiencies, significant deficiencies or material weaknesses. We did not identify any deficiencies in internal control over compliance that we consider to be material weaknesses, as defined above
