Facts And Circumstances Test - The organization is publicly supported, and, although the one-third support test for the current tax year is not met, the organization clearly satisfies the criteria for meeting the facts and circumstances test under Income Tax Regulations Sec 1.170A-9(e)(3). Furthermore, based upon successful fundraising efforts of the organization and the affiliates, the organization anticipates an even greater public support percentage in the near future. Under the facts and circumstances test, the organization meets: (1) the ten-percent-of-support requirement and (2) the attraction of public support requirement. The organization meets the ten-percent-of-support requirement since it received 31.16 percent of its support from contributions made directly by the general public over the period in question. This constitutes substantial public support. Further, the organization meets the attraction of public support requirement. In addition to meeting the two requirements discussed above, public support of the organization is evidenced by a discussion of the other relevant public support factors described in Section 1.170A-9(e)(3) of the Income Tax Regulations, as follows:

1. **Percentage of financial support factor:** The percentage of support normally received by the organization from contributions made directly or indirectly by the general public equals at least 31.16 percent.
2. **Source of support factor:** The organization is organized and operated to continuously attract new and additional public support. The board of directors helps to solicit for new endowment funds to support charitable activities of affiliates and other charities, from the general public and surrounding communities.
3. **Representative governing body:** The organization's board of directors is comprised of a diverse mixture of dedicated people from different industries and backgrounds. Such persons represent a broad cross-section of the views and interests of the community. The governing body does not comprise the personal and private interests of a limited number of donors.
4. **Availability of public services:** The services and programs provided by the organization are available to the public on a continuous basis.
