Monitoring: As the steward of \$9,074,643 in public funds, the Partnership is responsible for monitoring its funded programs to ensure accountability of funds and compliance with contract requirements. Both the Smart Start funded programs and NC Pre-K sites are monitored annually. Smart Start Monitoring: The Partnership monitors each Smart Start funded program on an annual basis through program observation, site visits, completion of a Direct Service Provider Monitoring Tool and review of program and fiscal reporting through the year.

The annual programmatic and fiscal monitoring site visit includes a review of the compliance with the Contract Activity Description, documentation of evaluation, compliance with communication standards, compliance with grants management, financial status reports, cash receipts, cash disbursements, competitive bidding, cash and in-kind contributions and property and equipment. Based on this review and completion of a monitoring tool, a report is completed and provided to the funded program. Follow-up, technical assistance and development of a corrective action plan will occur if necessary. NC Pre-Kindergarten Monitoring: The Partnership conducts monitoring as part of the NC Pre-Kindergarten Program in Durham County. Monitoring activities for participating NC Pre-Kindergarten sites are conducted throughout the year to ensure that program requirements are met. Pre-K sites are required to complete an annual Site Monitoring Tool that is designed to address the components of the program to meet compliance areas at the site and classroom level. Sites submit the completed tools to the local contractor's office. The Partnership's NC Pre-K department reviews the tools and conducts a site visit to ensure that all information is correct and accurate and in compliance with State requirements. The Partnership's Finance department also works in collaboration with the NC Pre-K department to ensure that sites are monitored (con't)

(don't from page 2) fiscally on an annual basis. The fiscal monitoring includes a review of all equipment/assets. Monitoring tools developed by the NC Division of Child Development must also be used at the local level for self-review and verification of compliance with the operating requirements. The NC Division of Child Development conducts on-site monitoring annually at the local contractor's site. Early Head Start Monitoring: The Partnership in compliance with Federal standards and administrative requirements provides ongoing monitoring of its operations as well as those of its contracted delegate agency. It is the policy of the Grantee that all programmatic, fiscal, and management areas of the Early Head Start program are regularly reviewed and that appropriate and timely follow-up is provided to ensure correction of non compliance issues. A full monitoring review of the delegate agency is conducted by program and fiscal staff on an annual basis to assess compliance with performance standards and contract requirements. A monitoring tool has been developed using the Office of Head Start Monitoring Protocol and Self-Assessment Booklets. Monitoring includes a review of compliance with Head Start Performance Standards, compliance with Memorandum of Understanding (MOU), and compliance with the development and implementation of the financial management system. This will involve a detailed review of the financial reporting accounting records, internal controls, and budget controls. The Partnership staff reviews program and fiscal data including financial status reports, financial source documentation for expenditures, monthly program updates, Head Start Enterprise System (HSES) reports, ChildPlus reports, year-end report and Performance Information Review (PIR) information. A monitoring report, including scope of testing, any issues noted, and recommendations will be provided to the delegate agency.

Background about the Partnership

Since 1995, Durham's Partnership for Children (the Partnership) has created a comprehensive early childhood system that supports collaborative service delivery and planning for young children birth to five. Durham's Partnership for Children has formed strategic alliances with government, business, medical, faith, and education sectors to integrate services based on evidence-based practices and measurable results.

Durham's Partnership for Children, one of 76 local Partnerships in North Carolina, is the community leader charged with implementing North Carolina's Smart Start Initiative and NC Pre-Kindergarten Program for Durham County. Our mission is that every child in Durham will be healthy and ready for school. In FY 2011-12, 12 Smart Start funded programs, 29 NC Pre-K classroom, and Early Head Start with child care and home visiting components provided services to improve children's development in the five domains of school readiness. Durham's Early Childhood System Framework and the Partnership's Strategic Plan emphasize strengthening and building awareness for high quality early care and education, expanding the reach and impact of family support programming, supporting access to health services and early intervention, and ultimately promoting economic development in Durham County.

Part VI - Section B. Policies #11b Form 990 was completed by Partnership staff and reviewed by the Finance and Audit Committee. A copy of the completed form was made available to all Board members.

Part VI - Section B. Policies #12c - Durham's Partnership for Children has a written conflict of interest policy that was approved by the Board of Directors. In an effort to regularly and consistently monitor and enforce compliance with the policy, all conflicts are recorded and shared with the Board in chart form. The chart is updated when new information is provided. The chart is then used to monitor discussions and voting by members who may have a conflict of interest. All conflicts and abstentions are recorded in the minutes of the meeting. In addition, the minutes are reviewed for compliance during the monitoring visit by North Carolina Partnership for Children and/or the auditor during the audit process.

Part VI - Section B. Policies #15b - The Board of Directors hired RSM McGladry in 2010 to complete an independent HR review.

Ms. Robinson worked with the Partnership and reviewed job descriptions to determine exempt/non exempt status, provided information for the update of the Personnel Manual and completed a salary comparison that provided comparative data to the Executive Committee.

and Board in setting the new salary scale for the Partnership for the Executive Director and all employees. In FY 11-12, key employee salaries were matched against objective standards set by the North Carolina Partnership for Children based on multiple measurable factors.

Part VI - Section C. Disclosure #19 - Durham's Partnership for Children has its governing documents, conflicts of interest policy and financial statements available in multiple ways. Many of the documents including policies and required forms are on the website at <http://www.dpfc.net>.
