Nova Southeastern University (NSU) maintains a written Code of Conduct Policy which provides an overview of requirements in complying with applicable laws, rules, regulations, and adhering to ethical standards by its officers, employees, representatives, and agents in conducting NSU business. To aid in the identification of and correction of any actual or perceived violations of the University's Code of Conduct Policy, NSU has a written Compliance Plan. The Compliance Plan not only explains the compliance obligations of all NSU colleagues, it contains specific directives for key personnel and committees to uphold the Compliance Plan and ensure that their team members have sufficient information to comply with the applicable laws, regulations, and policies, as well as the resources to resolve ethical dilemmas. In addition to the foregoing, each year, the University asks the governing Board of Trustees, officers, directors, and key employees to respond to a questionnaire and disclose on a yearly basis. The questionnaire is designed to collect information and monitor compliance.</p>
