V	4	The endowment funds shown are considered permanently restricted. The College does not intend to use the funds.
X	2	Accounting principles generally accepted in the United States of America require the College's management to evaluate tax positions taken by the College and to recognize a tax liability or asset if the College has taken an uncertain tax position that will more-likely-than-not be sustained upon examination by taxing authorities. Management has analyzed the tax positions taken by the College for the year ended June 30, 2012 and believes that there are no such positions as of June 30, 2012.
X	2	Accordingly, no liability has been accrued.
III	4	The College houses numerous historical works of art. The displays are used for public exhibition, but more importantly for the education of future generations seeking knowledge of the past.
