The Blaine County Hunger Coalition strives to end hunger in our community by providing wholesome food to those in need and by promoting solutions to the underlying causes of hunger through collaboration, education and advocacy.

Form 990, Part I, Line 6

The Blaine County Hunger Coalition benefited from a total of 6,080 volunteer hours in 2011. Volunteers collect, sort, weigh, track and distribute food for the Mobile Food Bank program. They stuff and deliver backpacks for the Backpack Program. They teach clients basic computer, nutrition and life skills through our Mentoring & Education Programs. They help track the amount of food collected and distributed, and the number of volunteer hours donated weekly. They hold food drives and help with fundraising and awareness events.

and cultivate vital gardening skills, build confidence and a sense of responsibility, promote healthier eating habits for themselves, family & friends, and engage in social interaction with the community, volunteers and staff.

1. Mobile Food Bank

During this time period, the Mobile Food Bank Program distributed the equivalent of 62,947 meals' worth of essential supplemental nutrition to

local families and individuals experiencing hunger. For the 210 children and adults receiving food assistance weekly, we were able to purchase nearly 27,340 pounds of additional fresh & non-perishable food for a mere \$0.19 per pound. More than 150 volunteers donated over 2,500 hours within this time period and over 35,000 additional pounds of food were donated, leading to a substantial savings in food and labor costs. We remodeled our Bellevue Food Bank Warehouse to create a distribution site that serves those who are too embarrassed to stand in line in our mobile food bank locations.

2. Empowerment Services

In keeping with our stated mission, we actively address the underlying causes of hunger and promote long-term solutions through collaboration, advocacy and education. Originally developed to support our Mobile Food Bank Program, our Empowerment Services continued to expand during this time period with the successful funding and initiation of the Integrated Education Initiative in partnership with two other local organizations. The Integrated Education Initiative aims to improve the social and economic health of the community through coordinated and specialized educational programs for lower-income and economically-displaced people in Blaine County. The overall program goal is to increase the employability, job retention, and standard of living of the target population.

3. Backpack Club

Initiated in 2008, the Backpack Club is specifically designed to feed hungry students over the weekends when they are outside the safety net of the school meals program. Program-specific food orders provide healthy,

shelf-stable, easy to prepare food that children take home at the end of every week to supplement their overall nutrition on the weekends and after school.

During the 2011-2012 school year, 117 students per week on average received easy-to-prepare snacks and meals, with a high of 145 students seen in February. For the fiscal year ending June 2012, The Hunger Coalition distributed a total of 2,690 backpacks.

4. Infant Formula Initiative

We began our Infant Formula Initiative at the end of 2005 in response to reports from Public Health and other community agencies that many families were experiencing difficulty in providing sufficient nourishment for their infants. While many new mothers qualify for government subsidies of formula, the amount provided is not always sufficient to meet the nutritional needs of their new babies. This service provides vital nutrition and nourishment to infants who would otherwise be at serious risk of experiencing chronic hunger.

This program is not an ongoing source of assistance for a family. It fills a crucial need in the lives of the most vulnerable members of our community. During this reporting time period, we provided the equivalent of over 850 bottles of infant formula, giving out more than fifty-seven 12.5 ounce cans of formula to supplement infants' nutritional levels.

5. Paws for Hunger

Initiated in 2010, Paws for Hunger is a collaboration between our local

animal shelter and The Hunger Coalition. The program addresses the needs of individuals and families with a pet who find themselves in a position of having to choose between feeding their family and feeding their beloved pet. For families already facing seemingly insurmountable challenges and children coping with circumstances that can be frightening, it is imperative to keep these families and pets together. During the six month reporting period, we distributed 371 bags of pet food to families in need, which represents an incredible increase over the life of the program, given a total of 379 bags were distributed over the course of 12 months in the program's first year.

Form 990, Part VI, Line 12c - Enforcement of Conflicts Policy

Form 990, Part VI, Line 15a - Compensation Process for Top Official

The Executive Director's compensation is reviewed annually by the Executive Committee of the Board and increases are approved by the entire Board. The 2010 Compensation Guide published by Guide Star was used to determine an appropriate salary for the Executive Director. In addition, Form 990's of other local non-profit organizations were also reviewed to determine the Executive Director's salary.
