## **TRUSTEE AWARDS PROGRAM**

### ***Guidelines & Application Procedures***

The Tucson Osteopathic Medical Foundation is a private operating foundation which operates programs designed to produce significant advances on problems and issues of importance to osteopathic medicine and the community's health and welfare. The three-fold mission of the Foundation is to (1) expand and improve the quality and scope of osteopathic medical education, (2) improve the public's understanding of osteopathic medicine, and (3) improve, through education, the health and well being of the community.

The Trustee Awards Program is a program of grant awards by the Board of Trustees of the Foundation to aid selected community organizations whose goals and purposes are in harmony with those of osteopathic medicine.

### **AWARD CYCLE**

The Tucson Osteopathic Medical Foundation will grant the funds available for Trustee Awards once annually. The Foundation's fiscal year begins on July 1 and ends on June 30. **Grant proposals for the upcoming fiscal year must be submitted and received at the Foundation office no later than 5:00 p.m. on January 31 of each calendar year.**

**Only organizations which have submitted a grant proposal prior to the January 31 deadline will be considered to receive a Trustee Award for the next fiscal year.**

A decision on your program's grant proposal will be made by May 31. If your program is selected to receive a Trustee Award, grants will be available for payment on July 1 of each year.

### **WHO MAY APPLY**

Requests for support are generally considered from:

1. Institutions of higher education and other education-related organizations
2. Organizations in the arts and humanities
3. Community service organizations
4. Health care programs
5. Substance abuse programs
6. Organizations conducting public policy studies

Eligible applicants must have been designated as a nonprofit, tax exempt "public charity" as defined in Sections 501(c)(3) and 170(b) of the Internal Revenue Code. All applicants other than colleges and universities must send a copy of their IRS designation letter with each grant proposal or request.

Applicants should carefully consider the following exclusions that result from budgetary considerations, Foundation policy or federal laws. The Foundation does not consider requests from:

1. Individual applicants
2. Political lobbyists, organizations or campaigns
3. Religious activities or organizations
4. Private foundations or private operating foundations
5. Professional associations
6. Specialized health organizations, hospitals or medical centers for operating funds
7. Tax supported government programs or functions
8. Fraternal, veterans, or military organizations
9. Sponsors of conferences, fund-raising campaigns and
10. Telephone and/or mail solicitors

Moreover, the Foundation neither supports nor engages in any political activity. It does not attempt to influence legislation or political campaigns for public office, nor does it support organizations engaging in these activities.

In addition, the Foundation does not provide "annual" grants or continuing support. Individual grant proposals from organizations receiving current or previous Foundation support will be judged as new requests and evaluated in relation to other proposals before the Foundation.

## **HOW TO APPLY**

Qualified organizations applying for a grant are encouraged to submit a proposal in concise letter form, not more than two pages long, that contains the following information:

1. A brief description of the organization, its purpose and proposed project.
2. A statement of need for the project.
3. The total cost of the project, other sources and levels of funding and the amount requested from the Tucson Osteopathic Medical Foundation.
4. Appropriate supporting data, including a current budget and most recent audited financial statement, an annual report, if available, and a copy of the Internal Revenue Service letter of determination.

The Foundation reserves the right to request such additional information as it deems necessary. Elaborate and lengthy proposals will not be considered.

## **REVIEW PROCESS**

All requests are reviewed by staff to determine whether or not they meet the Foundation's objectives and project guidelines. Applications having significant merit and relevance to the Foundation's objectives and priorities are later presented to the Foundation's Program Committee and Board of Trustees for consideration.

The Foundation receives more applications than it can support, and therefore, must decline many requests regardless of individual merit. Applicants will be informed of the Foundation's decision by May 31 annually.

Organizations receiving Trustee Awards are expected to comply with the conditions specified in the application procedures. The Foundation reserves the right to report publicly on the achievements of its grant recipients.
