| Grantmaker's Description of How Grants are Used |                  | Monitoring the expenditures of grant funds is done in accordance with Stone Child College's financial policies and procedures manual, Section III - Financial. Also, as a condition for receipt of grant funds, the college must allocate these funds according to the requirements of each specific federal grant and ensure compliance with federal regulations for uses of these funds. The business office provides fiscal oversight for all financial affairs to ensure that these funds are being used in compliance with all policies and procedures. The approval process for all expenditures require three signatures: the person requesting the use of funds, the project coordinator/director, then the president has the final approval. A monthly expenditure report for all programs administered by the college and a monthly check register is provided to the College's governing board for their review and approval at their monthly meetings. |
