The corporate Bylaws provided that three of the seven Trustees belonging to the Society of Jesus shall be chosen by Members from among the Jesuits assigned to staff or faculty duties at Seattle University. The Bylaws were amended to allow the Members, after consultation with the President, to choose qualified Jesuits for service on the Board of Trustees who may not be assigned to staff or faculty duties at Seattle University.

F990_P06_S0A_L06	Form 990, Part VI, Section A, Line 6	Seattle University is a Washington nonprofit corporation governed by a Board of Trustees that is responsible for the overall management of the affairs of the University. As a nonprofit member corporation established under Washington state law, the University has a Board of Members. The University has seven members. Each member is required to be in good standing in the Society of Jesus. The seven members include the following: the Rector of the Seattle University Jesuit Community and six Jesuits from among those under contract at Seattle University. The President, Provost and any Vice President of Seattle University are ineligible to be a member. Members are elected by Jesuits currently under contract at Seattle University.

These Jesuit Trustees are chosen by the Members. Any Trustees appointed by the Members may be removed from the governing board by the affirmative vote of two-thirds of all the Members. Any vacancies of Trustees originally appointed by the Members should be subsequently filled with another individual appointed by the Members.

The power to alter, amend, or repeal the Articles of Incorporation or the Bylaws is reserved to the members and must be exercised in accordance with the Bylaws. The Members may delegate this authority to the Board of Trustees in whole or in part. The Board of Trustees may not authorize the sale or lease of any corporate properties having a fair market value in excess of \$300,000 without the written approval of a majority of the members. Members, like Trustees, have a duty to conduct themselves in the best interests of the University consistent with the objectives and purposes of the University as stated in the Articles and Bylaws.

F990_P06_S0B_L12c	Form 990, Part VI, Section B, Line 12c	<p>The Conflict of Interest Policy for Trustees is contained in the Bylaws of the University. Trustees are informed of this policy during trustee orientation and the annual meeting. On an annual basis, each trustee is asked to furnish a written statement indicating whether he or she is involved in any matter that poses an actual or potential conflict of interest. Trustees are expected to update the disclosure throughout the year as may be appropriate. After a trustee's disclosure of a potential financial or other conflict of interest, the chair of the Board of Trustees in consultation with the University Counsel, determines whether the situation constitutes a conflict of interest requiring action by the board. If the chair of the board believes board action is appropriate, the interested person must leave the board meeting where the financial or other interest is discussed and voted upon, unless requested to stay either to respond to questions or provide information to the board on the matter under discussion. The remaining board members decide if a conflict of interest exists and the appropriate course of action. Officers, key employees, faculty, and staff are covered by the University conflict of interest policy. Individuals are informed of this policy at the time of hire. The policy is contained in the Human Resources Policy Manual and is available to faculty and staff on the University's website. Upon identification of a potential conflict of interest, the matter is reviewed and evaluated by University officials and a determination is made regarding an appropriate action. The University has also adopted a Policy for Financial Conflict of Interest Disclosure and Management for Investigators in Externally Sponsored Programs in compliance with the US Department of Health and Human Services regulations (42 CFR Part 50, Subpart F) and the financial conflict of interest policies of the National Science Foundation (NSF). Finally, the Office of Finance and Business Affairs, through the Office of the Controller, reviews carefully all proposed business transactions, expenditures, and requests for reimbursements to determine compliance with University policies, including those relating to conflict of interest.</p>
