Identifier	Return Reference	Explanation
Grantmaker's Description of How Grants are Used		At the end of each quarter, the College submits a report and invoice to the Foundation indicating the students who met the scholarship disbursement requirements for the quarter just past. The Foundation then distributes payment to the College for tuition reimbursement. If a student has not met the enrollment or completion requirement, s/he is not eligible for disbursement. In addition, at the end of each quarter, the Foundation receives a report of scholarship recipient GPAs and reviews each individual to ensure that s/he has met the minimum requirements for his/her next distribution. For student grants through the Richart Student Support Fund, College administrators issue vouchers to students (small grants up to approximately \$140), then provide full quarterly reports with complete student information.
