FFA is a nationally affiliated student organization designed for students who wish to be leaders in and pursue a career in some phase of agriculture—production agriculture, agriscience, agribusiness, or ag marketing. FFA has been an integral part of Oregon agriculture students experience in the Agricultural science classroom since 1929.

A Bridge to a Career in Natural Resources

By following the FFA Motto "Learning to do, Doing to Learn, Earning to Live and Living to Serve" students are able to cross the bridge to a successful career in natural resources. Classroom based instruction, work based learning and the student organization support the FFA delivery system.

Students learn and develop technical skills, that vary from formulation of complicated feed rations for livestock to tissue culture of plant materials, by taking advantage of classroom instruction based on applied learning units.

The Supervised Agricultural Experience (SAE) program offers students work based learning. Each FFA member, supervised by their FFA advisor, participates in a project selected from hundreds of options within 51 project proficiency areas. This project (s) is carefully monitored throughout the students FFA career as he or she applies the skills learned in the classroom.

FFA activities provide the third support in the agricultural education bridge. The FFA provides an enjoyable educational outlet for students to evaluate their technical and leadership skills as they step across the bridge to their future.
