Part III Statement of Program Service Accomplishments

Check if Schedule O contains a response to any question in this Part III

**1** Briefly describe the organization's mission:

Pesticide Action Network North America works to replace the use of hazardous pesticides with ecologically sound and socially just alternatives. As one of five PAN Regional Centers worldwide, we link local and international consumer, labor, health, environment and agriculture groups into an international citizens' action network. This network challenges the global proliferation of pesticides, defends basic rights to health and environmental quality, and works to ensure the transition to a just and viable society.

2 Did the organization undertake any significant program services during the year which were not listed on the prior Form 990 or 990-EZ?☐ Yes ☒ No

If "Yes," describe these new services on Schedule O.

3 Did the organization cease conducting, or make significant changes in how it conducts, any program services?☐ Yes ☒ No

If "Yes," describe these changes on Schedule O.

4 Describe the organization's program service accomplishments for each of its three largest program services, as measured by expenses. Section 501(c)(3) and 501(c)(4) organizations and section 4947(a)(1) trusts are required to report the amount of grants and allocations to others, the total expenses, and revenue, if any, for each program service reported.**4a** (Code:) (Expenses \$ 1,529,072 including grants of \$ 0) (Revenue \$ 826,064)

Core Programs Working with partners across North America and globally, Pesticide Action Network mounts effective joint campaigns achieving bans and restrictions on highly hazardous pesticides and sustainable solutions (particularly ecological agriculture, food security, food sovereignty, fair trade, worker protection and social justice). In 2011-2012, our successes included 1) We forced Arysta, the maker of a carcinogenic fumigant, methyl iodide, to take it off the U.S. market in March 2012 — the result of campaign action over six years, 2) We helped mobilize 1.5 million people who stood with beekeepers to advocate urgent action by U.S. EPA and California regulators to suspend neonicotinoid pesticides to protect bees, and 3) on December 6, 2011, PAN groups from around the world presented indictments to jurors of the Permanent People's Tribunal convened in India. The jurors found the Big 6 pesticide and genetically engineered seed corporations guilty as charged for violations of rights to life, livelihood and health, and urged governments to take action to prevent further harm.

4b (Code:) (Expenses \$ 338,265 including grants of \$ 0) (Revenue \$ 623,223)

Coalitions Pesticide Action Network (PAN) North America builds network power through strategic alliances with other public interest organizations. As the Regional Center of an international network, we facilitate collaboration among more than 150 organizations in North America, linked to some 600 groups in more than 90 countries worldwide. At times our campaigns with network partners lead to creation of formal coalitions for which the Organization serves as facilitator, administrator and/or fiscal sponsor, making the coalition technically a project of the Organization. The most significant coalition sponsored by PAN North America in 2011-2012 was Californians for Pesticide Reform (CPR) — 185 groups across the state, among which PAN is one of the leading members in the policy advocacy work of the coalition. In the last year CPR helped win the victory blocking methyl iodide in the U.S., and has helped launch a project in Kern and Fresno counties to overcome barriers to reporting pesticide incidents and other pollution by allowing affected community members to report issues easily, 24 hours a day, and in English and Spanish, using simple web tools.

The Organization receives donations, grants and contracts, pays expenses, and holds cash for organizations which

further the mission of the Organization and for whom we serve as fiscal sponsor. In cases when the Organization

employs staff for a coalition and the coalition is considered a project of the Organization, it typically creates one or more

temporarily restricted funds to account for the specific coalition's project expenses. These are the funds identified in

the Statement of Activities temporarily restricted program as "Coalitions "

In cases where the Organization agrees to be fiscal sponsor for a coalition and/or organizations which

further the mission of the Organization but are not projects of the Organization, and its role does not require it to employ

project staff or provide substantial coordination services, the Organization maintains the funds in a custodial

account, reported in the Statement of Financial Position. These custodial accounts are not reflected in the Statement of Activities.

Part X FIN 48 Footnote, Line 2

The Organization recognizes the effect of income tax positions only if those positions are more likely than not of being

sustained. The Organization does not believe its financial statements include any uncertain tax positions.

Part XI Reconciliation of Change in Net Assets from Form 990 to Audited Financial Statements, Line 8

The Organization recognizes both revenue and expense for donated services and facilities in their audited financial statements. Thus, the
