Identifier	Return Reference	Explanation
Description of Intended Use of Endowment Funds	Part V, Line 4	The purpose of the endowment fund is to provide funds to cover the cost of care of our students in excess of state service fees. The level of service provided by Boys Republic requires an income in excess of state service fees of approximately \$600 per student per month. This amounts to over \$1.5 million a year. A sizable portion of this funding comes from carefully managed investments that currently produce investment income of approximately 10% of Boys Republic's annual budget. Boys Republic has remained an important part of Southern California's child-care network for over 100 years because it has grown and changed to meet contemporary needs. In the past three decades alone, Boys Republic has responded to emerging social crises with the development of twelve major new programs. In every case, the cost of initiating a program and sustaining it through its embryonic stage had to be borne by the agency.
Description of Uncertain Tax Positions Under FIN 48	Part X	Boys Republic is exempt from taxation under Internal Revenue Code Section 501(c)(3) and California Revenue and Taxation Code Section 23701d. Generally accepted accounting principles provide accounting and disclosure guidance about positions taken by an organization in its tax returns that might be uncertain. Management has considered its tax positions and believes that all of the positions taken by Boys Republic in their federal and state exempt organization tax returns are more likely than not to be sustained upon examination. Boys Republic's returns are subject to examination by federal and state taxing authorities, generally for three and four years, respectively, after they are filed.

The organization's executive compensation program is designed to - Encourage the attraction and retention of high-caliber executives - Provide a competitive total compensation package, including benefits - Reinforce the goals of the organization by supporting teamwork and collaboration - Ensure that pay is perceived to be fair and equitable - Be flexible to reward individual accomplishments as well as organizational success - Ensure that the program is easy to explain, understand, and administer - Balance the need to be competitive with the limits of available financial resources - Ensure that the program complies with state and federal legislation</p> <p>Program Market Position While BOYS REPUBLIC focuses on comparable nonprofit organizations in our area to benchmark pay, we also understand that the market for executive talent may be broader than this group. Market information, for functionally comparable positions, from similarly situated for-profit organizations and published not-for-profit compensation surveys may be used as a supplement. In general, BOYS REPUBLIC positions total compensation, including benefits, at the median of the market. Programs are designed to be flexible so that compensation can be above or below the median based on experience, performance, and business need to attract and retain specific talent.</p> <p>Governance and Procedures BOYS REPUBLIC's compensation program is administered by the finance committee of the board. The finance committee is responsible for establishing and maintaining a competitive compensation program for the organization. The committee meets annually to review the salary range schedule and benefits program, for all employees, and make recommendations for any changes to the board, as appropriate. The committee uses the Center for Nonprofit Management Compensation and Benefits Survey to benchmark pay. Following this review, the committee reviews and approves the salary of the Executive Director. The committee recommends to the board salary approval for the Executive Director.</p>
