Part I, Line 3		The Organization relied on a related organization, Dignity Health, that used one or more of the methods described in Schedule J, Part I, Line 3, to establish the Organization's top management official's compensation. See Schedule O disclosure for Form 990, Part VI, Section B, Line 15 for additional information.
PART I, LINE 4a		The organization's key employees and its highest compensated employees participate in a severance plan established by its supported organization. The plan provides market-standard compensation, ranging from payments of 6 months to 2 years of base compensation, depending on the executive's position, in the event of a position elimination or other involuntary termination, in accordance with the guidelines of the plan. Payments pursuant to the plan arrangement for one former key employee occurred during 2011, K. Smith \$133,744.
PART I, LINE 4b		Certain listed persons are eligible to participate in a non-qualified 457(f) plan that is subject to substantial risk of forfeiture, as required by the IRS. The 2007 Executive Deferred Compensation Plan is for executives hired prior to June 30, 2006. The benefit is intended to bridge the difference, if any, between the benefit provided under the Dignity Health Excess Benefit Plan had benefit service not been frozen at January 1, 2008, and the benefits provided from all other qualified and non-qualified plans. No benefit under this formula will vest under this 457(f) plan before the attainment of age 62 or the completion of 15 years of service. No payments were made under this plan during 2011. Certain listed persons participate in the Dignity Health Excess Benefit Plan, a nonqualified supplemental benefit plan limited to participants in the Dignity Health Retirement Plan whose benefits are affected by the limitations imposed by sections 401(a)(17) and 415 of the Internal Revenue Code. Benefit service under this plan was frozen as of January 1, 2008. No payments were made during 2011 pursuant to this plan.
PART III, SUPPLEMENTAL DISCLOSURES		Although the organization does not directly employ any personnel, the supported organization's executive compensation philosophy is designed to assist in attracting and retaining the caliber of executives required to fulfill the organization's mission of providing high quality healthcare for all persons regardless of their ability to pay for services, improving the quality of life in the communities the organization serves, promoting employee satisfaction, and ensuring financial stability. A substantial portion of executive compensation is performance based and is linked to organizational goals approved in advance by the Compensation and Benefits Committee. These goals include attainment of annual and long-term financial performance, certain healthcare quality standards, and the organization's commitment to serving the poor and disenfranchised in the communities it serves. Total compensation, which includes base salary, annual and long-term incentive compensation, targets the 75th percentile of the market in which the supported organization competes for executives, commensurate with the size and complexity of the organization. Dr. Robert Rothbart's compensation is for medical directorship services provided to the supported organization.
