VE Global grants funds to VE Global Chile to recruit an international corps of volunteers to serve as positive adult role models to the children at social risk in Santiago, Chile. Volunteers commit full-time for a minimum of 4 months to their placement organizations. Volunteers provide an average of 70,000 hours of in-kind service every year to a network of social service organization partners and hundreds of children. In addition, funds granted four core programs and series of volunteer workshops throughout the year.

"Vamos a Leer" - During the summer, 60-80 children participate in reading workshops with volunteers for 2-3 months. The program ends with a day filled with games, prizes and an afternoon at a municipal pool with the volunteers.

"English in Motion" - Workshops provide weekly academic reinforcement for children with English language practice.

"Festival de Arte" - 50-60 children participate in a bi-annual art workshop series with their volunteer mentors. Children perform, display artwork, win prizes and have the opportunity to socialize & build self-esteem & confidence.

"Liga de Deportes" provides monthly healthy living opportunities to children through a sports league, trivia contests & other educational programming.
