confirmations If no such data was submitted, N/A is listed as the Purchase Cost. N/A displays when investment information is incomplete and no gain or loss totals will be calculated. For any assets purchased within the account, the Purchase Cost is the actual purchase price including transaction charges and corporate actions. Transactions are automatically paired against holdings on a "First-In/First-Out" basis.

(unless manually adjusted or an alternate lot relief method was selected) Designating liquidations as "versus payment" date on a trade confirmation will not automatically adjust the cost basis information on your statement.
