The Organization does not have stockholders but it does have members. There are two types of members. One is an Associate member						
and the other is a Voting member. An Associate member includes someone who runs or operates a farm but whose average gross						
agricultural income is less than half their total income. An Associate member also includes someone working in Agribusiness. Someone						
who is not directly related to Agriculture is an associate member. Lastly, an Associate member can hold their membership through a						
church, FFA chapter, an association, or by a corporation not producing agriculture products. A Voting member can be a family that gets the						
majority of its average gross income from the sale of agricultural products. A Voting member can also be held by a retired agricultural
