**Exempt Purpose Achievements**

The Communities in Schools program brings the community's resources into the schools, making them easily accessible to the children through our social workers. Through strong partnerships with local school districts CIS social workers are provided office space within each school, a program feature unique to CIS program outcomes and provides an added element of quality control, integrity, and accountability for the success of our program. CIS partners with over 80 Community organizations to meet the needs of the students we serve. The strength of CIS is the ability to provide In=depth, ongoing, and intensive case management inside the schools, in order to assess the students' needs and ensure that they receive the assistance they need to succeed in school and in life. The comprehensive, ongoing relationship between CIS social workers and the students, as well as our success rate, is unmatched by other organizations
