Seth M. Milliken Foundation, Inc. Statement Attached To And Made A Part of Form 990-PF For the Year Ended September 30, 2012

Please note that due to an administrative oversight, Form 8868, Application for Extension of Time to File an Exempt Organization Return, was not filed by the due date of February 15, 2013, in connection with the filing of Form 990-PF for Seth M. Milliken Foundation, Inc.'s fiscal year 2012. In that Form 990-PF has now been filed within the automatic 3-month extension of time to file that would have applied had the Form 8868 been timely filed, we respectfully request pursuant to Treas. Reg. § 301.6652-2(f) that Internal Revenue Service waive any penalties that may be incurred in connection with the foundation's failure to timely file Form 8868, which we believe was due to reasonable cause. Responsibilities for preparing the foundation's Form 990-PF were re-assigned during 2012 due to (a) the medical leave of the individual who had previously handled this filing and (b) a concurrent reorganization. The individual receiving these newly assigned responsibilities overlooked the Form 8868 deadline because she was still familiarizing herself with the timelines for the foundation's annual return filings. This oversight was an isolated occurrence, and the foundation has adopted procedures to ensure that all of its annual return filings are made on a timely basis in the future.
