ORGANIZATIONS MISSION	FORM 990 - PART I, LINE I & PART III, LINE 1	Our mission is to end hunger through community partnerships. In the years since our 2001 founding, Second Harvest Heartland has evolved from a food bank focused almost solely on food distribution, to a hunger relief agency that drives efficiency, innovation and collaboration. Today, Second Harvest Heartland is the largest hunger relief agency in the upper Midwest. In FY12, we surpassed our goal to distribute 73 million pounds of food by more than 3 million pounds (76,376,000). Partnerships with retail donors, government agencies, corporations, foundations, and individuals coupled with leveraging efficiencies within our organization will allow us to continue to deliver more food. But the emergency food system can't solve the problem of hunger alone, so we are continuing to invest in community outreach efforts, or beyond the food bank initiatives, that connect those in need with the meals they need to live healthy, productive lives. These programs include the SNAP (the Supplemental Nutrition Assistance Program, formerly known as food stamps) Outreach Program, through which Outreach Specialists visit food shelves, soup kitchens, and other organizations and events to help people understand the program, and to break down barriers to participation -from lack of awareness to difficult application processes or other complications. More than one in three people who qualify for SNAP are leaving their benefits on the table. That's the equivalent of nearly \$210 million of already-funded food and financial assistance unclaimed which could also help Minnesota's economy. These initiatives also include SFSP-the Summer Food Service Program-a Minnesota Department of Education administered program that funds free meals to children 18 and younger during the summertime. We identify high poverty areas annually in our collaboration with the Minnesota Department of Education using school free and reduced meal program data to promote our mini-grants program to eligible agencies and organizations, as well as planning our outreach efforts for the year, including contacting school districts about the program, etc. Second Harvest Heartland has dedicated staff to conduct outreach in targeted communities and provides mini-grants to organizations to help alleviate the barriers to participation. Our staff conducts outreach efforts to increase awareness, as well as administers a mini-grant program which provides organizations with funds to feed children in need over the summer months. FRESH FOOD Increasingly, fresh food is part of the Second Harvest Heartland offering, as retail partners and growers join the hunger-relief efforts and continue to contribute record levels of perishable food. More than 24 million pounds of Second Harvest Heartland's food distribution in FY12 was through the Food Rescue program-largely comprised of nutritious food such as produce, meat and dairy options. That's almost 1/3 of the total distribution throughout the fiscal year. New partnerships began to be forged in FY11 with Minnesota growers and farmers, in an effort to begin to capture the more than 200 million pounds of crops-corn, potatoes, apples, watermelon, squash and more-that is either plowed under or unsold each year in our state. In FY12, we received and distributed 12 different types of produce totaling over 4 million pounds. 2.4 million pounds of potatoes and 760,000 pounds of sweet corn accounted for the majority of this rescued produce. VOLUNTEER PROGRAM Our volunteer program is a vital component of our efforts to bring more food to those who are hungry in our community. In the coming years we will need additional support from volunteers in order to support our continued growth in food distribution, particularly in the areas of our Food Rescue Program and Harvest to Home, which provide opportunities for us to provide increased nutritious food streams for those in need. As a result, over the next five years, the need for volunteers is expected to increase four-fold. In order to meet this rapidly growing demand, and to better serve our volunteers, Second Harvest Heartland is making significant changes and investments in our volunteer program. In FY12, we were able to engage more than 20,000 individual volunteers who contributed 99,000 hours-the equivalent of more than 47 full-time employees. Volunteers play a vital role in other programming efforts: packing boxes and helping to distribute them for our commodity supplemental food, and helping people apply for CSFP and Supplemental Nutrition Assistance Program (SNAP). Continued growth in our volunteer program is also required to continue to meet our goals for those in need. HUNGER-FREE MINNESOTA Second Harvest Heartland is a founding member of Hunger-Free Minnesota, a collaborative movement to end hunger in our communities, initiated by a coalition of Minnesota hunger relief organizations united under the common belief that food is a basic and essential human right. The Hunger-Free Minnesota campaign has
