**Part IV** Supplemental Information. Complete this part to provide the information required in Part I, line 2, and any other additional information.

The Board monitors actual expenditures via its budget review. Record keeping is the responsibility of each group managing an assistance category.

USDA and similarly controlled food distribution is monitored in accordance with donating agency policy with required reports submitted to those agencies.

Because Fish operates on a cash basis, though we do not figure the cost of food or supplies donated to us, these donations are logged. For kitchen meals and groceries, our client

assistance is significantly augmented by community and agency food donations - individuals, business/religious/school/community groups, US Post Office, Boy Scouts, USDA, etc

The costs in columns (c) and (d) represent Fish's actual cash expenditures in support of the particular form of assistance. In the case of rent, utility, and pharmacy assistance, the cash

payments are made to the client's rental/utility/pharmacy company and not to the client. We minimize the risk of clients "double dipping" by coordinating assistance with other

community organizations.

Kitchen meals are served daily on site and provided to all who come. The counts are based on sign-in logs, occasionally estimated.

Groceries assistance is provided to a family/single no more than once a month - 3 full bags. Rent, utility, and pharmacy assistance are provided no more than once a year. In addition,

Fish provides Thanksgiving and Christmas baskets, providing a holiday meal for a family/single. Counts are based on logs.

The "phone service" is for our client contact phone service and the reimbursement of reasonable phone expenses of those coordinating the assistance requests.
