Head Start is a free preschool program for children ages 3-to-5 years until eligible for kindergarten. It is funded through the Administration for Children and Families (ACF), Office of Head Start and the State Department of Health and Human Services. Grantees are expected to raise 20% of the cost of the program through local contributions of cash or in-kind goods and services. The federal program targets children living at or below the federal poverty rate but allows enrollment of children from other income levels under strict guidelines. At least 10% of children enrolled must have a diagnosed disability. The funded enrollment for the Head Start program is 224 children in center-based programs. Early Head Start is a program for infants and toddlers and is also funded through ACF. Child and Family Opportunities receives its Early Head Start funding in two ways, under a sub-contract with Penquis CAP, Inc., a community action agency in Bangor and through a contract with the State of Maine. Eligibility guidelines are the same as the Head Start program. Our funded enrollment for Early Head Start is 27 infants and toddlers in center-based programs, we served 41 children.				

4b	(Code)	(Expenses \$ 651,049	including grants of \$	(Revenue \$ 765,572)
Child Care - CFO offers child care services through a fee for service basis. We accept state subsidies from parents who are eligible. We also offer a sliding fee scale based on a family's income. Ninety children were served throughout the year. Regardless of funding source, all children enrolled in CFO's center-based programs are offered the comprehensive services associated with Head Start.				

4c	(Code)	(Expenses \$ 568,486	including grants of \$	(Revenue \$ 6)
Child and Adult Care Food Program, a program of the U.S. Department of Agriculture, supports reimbursement for meals served in CFO's centers and through sponsorship agreements with about 40 family child care providers in Hancock, Washington, Penobscot and Waldo counties. The cost of meals is subsidized through this grant based on a family's income or eligibility for Head Start/Early Head Start. In exchange, providers agree to assure that meals and snacks meet nutritional standards. Technical assistance and training on nutrition and CACFP requirements are provided by agency staff.

Services to parents include consumer education on selecting child care and referrals to regulated child care providers. Child Care providers receive training, technical assistance, professional development counseling, a resource lending library and quarterly newsletter. Community and business leaders are encouraged to enhance early childhood services within their communities and are supported in this quest with data and consulting services provided by the RDC.
