SchD_P03_S00_L01	Schedule D, Part III, Line 1	The museum and archives collection includes graphics, books and golf memorabilia. The collection is held for public exhibition, education and research. No value is assigned to the collection in the statements of financial position.
SchD_P03_S00_L04	Schedule D, Part III, Line 4	The USGA maintains a museum dedicated to the game's history. Additionally, the USGA serves as the caretaker and steward for the USGA's archive collection. By collecting, preserving and interpreting the historical developments of the game in the United States, with an emphasis on the USGA and its championships, the museum promotes a greater understanding of golf's cultural significance for a worldwide audience. The museum sponsors a rich array of programs designed to educate and inspire the public about the history of golf and the USGA's role in the game's development. The museum offers a wide variety of programming to suit audiences of all ages. Portions of the archives collection travel across the country to USGA championship sites, member clubs, and national and local museums and libraries. Also, a comprehensive website enables photos and videos to be shared with a wide audience.
SchD_P05_S00_L04	Schedule D, Part V, Line 4	In 2011, the USGA Foundation ceased to exist. Remaining assets and liabilities of the USGA Foundation were accepted by the USGA. Included in the assets and liabilities were two permanent endowment funds that had been created as a result of donations received in the 1980's. The first endowment is to fund junior golf programs and is the result of a \$20,000 donation. The donor specified that only earned income should be used. The USGA will comply with this restriction by using all earned income to fund junior golf programs in the year the income is earned. The second endowment is to fund turf research and is the result of a \$30,197 donation. The donor specified that only earned income should be used. The USGA will comply with this restriction by using all earned income to fund turf research in the year the income is earned.
SchD_P07_S00_L00	Schedule D, Part VII	Investments are valued in accordance with FASB Accounting Standards Codification 820, "Fair Value Measurements", which establishes a three level hierarchy for fair value measurements. Under this hierarchy, Level 3 investments are defined as those inputs that are unobservable and reflect management's best estimates of what market participants would use as fair value. The USGA has determined that its alternative investments, including hedge funds, should be classified as Level 3 investments.
SchD_P10_S00_L02	Schedule D, Part X, Line 2	The USGA is exempt from federal income taxes under Section 501(c)(3) of the Internal Revenue Code, except for any income derived from unrelated business activities. Tax of \$140 and \$292 were paid on unrelated business income in 2012 and 2011, respectively. The USGA filed the IRS Federal Form 990 and 990-T, as well as other forms required in various jurisdictions. The USGA has adopted FASB ASC 740, "Income Taxes". Under ASC 740, an organization must recognize a liability for an uncertain tax position when it becomes more likely than not that the position will not be sustained. The USGA believes there are no material uncertain tax positions and, accordingly, has not recognized any liability for uncertain tax positions.
SchD_P11_S00_L04	Schedule D, Part XI, Line 4	On the audited financial statements, unrealized gains (losses) on investments are netted against investment income, realized gains (losses) and investment management fees. On the audited financial statements, the net figure is recorded as an increase or (decrease) in net assets.
SchD_P11_S00_L08	Schedule D, Part XI, Line 8	The effect of actuarial changes to unfunded postretirement benefit obligations of \$2,636,144. On the audited financial statements, this expense is recorded as an increase or (decrease) in net assets.
SchD_P12_S00_L02d	Schedule D, Part XII, Line 2d	\$7,613,673 is cost of goods sold, as per Part VIII, line 10b. On the audited financial statements these expenses are program service expenses. \$1,379 is loss on sale of company car.
SchD_P12_S00_L04b	Schedule D, Part XII, Line 4b	Investment income of \$4,372,486, as per Part VII, Line 3. And realized gains on sales of investments of \$3,665,124 as per Part VIII, Line 7c(i). On the audited financial statements, these revenues are netted against unrealized gains (losses) and investment management fees. SchD_P13_S00_L02d	Schedule D, Part XIII, Line 2d	\$7,613,673 is cost of goods sold, as per Part VIII, line 10b. On the audited financial statements these expenses are program service expenses. \$1,679 is loss on sale of company car.

Supplemental Information. Complete this part to provide the information required in Part I, line 2, and any other additional information.

Identifier	Return Reference	Explanation
SchI_P01_S00_L02	Schedule I, Part I, Line 2	The USGA provides grants to junior golf programs located throughout the United States, as well as to golf training facilities and programs to assist physically challenged golfers. The USGA provides grants to state and regional associations to finance golf administration internships. The USGA provides grants to colleges and universities to finance turfgrass research and environmental research that may benefit golf courses. In all cases, staff monitors the use of funds to ensure that the grants are spent for the proper purposes and are not otherwise diverted from intended use. Monitoring normally includes formal periodic reports from the organization, detail program progress and use of funds. Monitoring can also include informal reports, depending on the nature of the grant and the organization it was distributed to. For example, grants to junior golf programs typically require the recipient organization to complete a formal assessment report that includes information about program outcomes, financial compliance, participant statistics, program schedule, instruction provided, and follow-up support. Such information is subject to audit, at the USGA's sole discretion. In all cases, unspent funds must be returned to the USGA. Grants to state and regional associations for golf administration internships typically require the recipient organization to complete a report describing the internship activities and accomplishments, and account for all internship salary payments. Additionally, the intern is required to complete an evaluation on their internship responsibilities and confirm the duration of their employment. Again, unspent funds must be returned to the USGA. Grants to colleges and universities for turfgrass research and environmental research typically require the recipient organization to complete a report describing in detail the results of the research, and account for all funds spent. Unspent funds must be returned to the USGA.
