INFORMATION FOR GRANT SEEKERS

MISSION STATEMENT

The Anschutz Family Foundation supports Colorado nonprofit organizations that assist people to help themselves while nurturing and preserving their self-respect. The Foundation encourages endeavors that strengthen families and communities and advance individuals to become productive and responsible citizens. There is a special interest in self-sufficiency, community development, and programs aimed at the economically disadvantaged, the young, the elderly, and the disabled. The Foundation is also dedicated to funding efforts in rural Colorado.

AREAS OF INTEREST

The Foundation's mission is purposely broad, allowing it to support the work of many nonprofits that focus on improving the quality of life for individuals and communities. The bulk of the Foundation's grants are made in categories most directly related to the stated goals of the Foundation: *improving the lives of individuals, promoting self-sufficiency, and community development*

TYPES OF GRANTS

Recognizing that organizational infrastructure is a necessity, the Foundation welcomes requests for general operating support. The Foundation also accepts requests for specific program, and occasionally issues a challenge grant instead of an outright grant. This is done when the Foundation sees both a need and an opportunity for the organization to expand its funding base. See the "Resources" section of our website, www.anschutzfamilyfoundation.org, for additional information on challenge grants.

GEOGRAPHIC FOCUS

The Foundation aims for an even distribution of grants between organizations serving in Colorado's rural and urban communities

GRANT SIZE

Grants are typically in the \$5,000 to \$10,000 range, but generally no greater than ten percent of an organization's annual budget.

WHAT WE DON'T FUND

Generally, the Foundation does not support:

- Grants to individuals
- Programs outside of Colorado
- Graduate and post-graduate research
- Education in general
- Religious organizations for religious purposes

GUIDELINES FOR SUBMITTING A PROPOSAL

DEADLINES

Proposal deadlines: January 15 and August 1

These deadlines refer to when your proposal must be physically received in our office or via our online portal (prior to 5.00 p m.). If the deadline falls on a weekend, proposals are due the preceding Friday.

Any proposals received after the stated deadlines will be rolled into the next funding cycle.

The Foundation acknowledges receipt of all proposals, typically within four weeks upon having received them. If you do not receive an acknowledgement, please contact us as this may indicate that we did not receive your proposal.

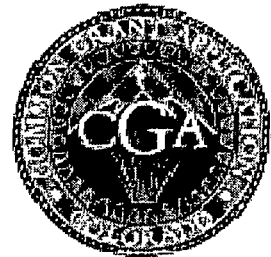

Proposal review schedule. Proposal received in time for the January 15 deadline will be decided upon at the mid-May Foundation board of directors meeting. Proposals received in time for the August 1 deadline will be decided upon at a late November Foundation board of directors meeting.

Two-year rule: When an organization receives funding from the Foundation for two years in a row, we request that they take the third year off. Please check your records prior to submitting a grant application.

The Foundation can only accept one grant application per calendar year from an organization.

PROPOSAL FORMAT

We require applicants to use the Colorado Common Grant Application (CGA), which can be submitted electronically (preferred) through the online portal accessed from our website, www.anschutzfamilyfoundation.org. If you send your application through the mail, you can access the form and its accompanying User's Guide through the Foundation's website.

WHAT WE LOOK FOR WHEN REVIEWING PROPOSALS

- Alignment with the mission and interests of the Foundation
- Clearly presented organization mission, goals, plans and financials
- A solid financial sustainability plan. We promote diversified funding streams and believe our funding should be no more than ten percent of an organization's annual budget.
- A committed board of directors with 100 percent making a contribution to the organization. This requirement is not designed to promote wealth as criteria for board membership, but we are interested in full participation by the board rather than dollar amount.
- Strong volunteer participation
- Community buy-in (evident through donations, volunteer engagement, existing partnerships, and collaborative efforts)
- Solid effort to engage the community and/or participants in program development.
- Ongoing efforts to evaluate organizational and program effectiveness and commitment to making adjustments as needed
- Effective and inspired leadership
- An eye on the future that reflects recognition of potential impacts on and opportunities for the organization.
- Applicants must be recognized by the Internal Revenue Service as a 501(c)(3) organization or be operating under the umbrella of another 501(c)(3) organization or a tax-supported institution such as a school or government agency.
