PART I OF SCHEDULE I

Reply to Line 4 of Part III

Individuals receiving scholarships are selected by their school faculty on the basis of need, scholastic record and service to the school or community. The only other grants to individuals are for medical expenses, which are investigated as to medical and financial need by appropriate local charitable organizations, from whom we receive a full report and recommendation.

Organizations seeking grants are required to submit budgets showing actual and projected sources and uses of funds. Since we make no grants outside our immediate geographical area, we are able to follow the actual expenditures closely through a combination of follow up reports to us, newspaper coverage of projects, personal conversations and personal visits. In these ways, both projected and actual uses of our grants can be checked for compliance with the charitable purposes described in sections 170 (c) (1) and 170 (c) (2).
