A prior period adjustment affecting the year ended December 31, 2011 was made. The December 31, 2010 comparative financial statements have been restated to reflect this adjustment. Description of Uncertain Tax Positions Under FIN 48	Part X, Line 2	Accounting standards require entities to disclose in their financial statements the nature of any uncertainties in their tax position. Areas that IRS and state tax authorities consider when examining tax returns of a charity include, but may not be limited to, tax-exempt status and the existence and amount of unrelated business income. The Home and Foundation do not believe that they have any uncertain tax positions with respect to these or other matters, and have not recorded any unrecognized tax benefits or liability for penalties or interest. The Home and Foundation are not aware of any circumstances or events that make it reasonably possible that tax benefits may increase or decrease within 12 months of the date of these financial statements.
