Part X Line 1 Federal Income Taxes - No provision for income taxes has been included in

the financial statements since the Organization is exempt from such taxes under Section

501(c)(3) of the Internal Revenue Code. Accounting principles generally accepted in the

United States of America require management to evaluate tax positions taken by the

Organization and recognize a tax liability if the organization has taken an uncertain tax

position that more likely than not would not be sustained upon examination by the IRS or

other applicable taxing authorities. Management has analyzed the tax positions taken by

the Organization and has concluded that as of December 31, 2012 and 2011, there are no

uncertain positions taken or expected to be taken that would require recognition of a

liability or disclosure in the financial statements. The Organization is subject to

routine audits by taxing jurisdictions; however, there are currently no audits for any tax

periods in progress. Management believes it is no longer subject to income tax

examinations for fiscal years prior to 2009.
