01. General explanation attachment

The return was not filed in a timely manner due to an error by the treasurer, who lost track of time and paperwork when her husband became seriously injured and then was diagnosed with cancer. When the spouse's injury occurred, late in 2011, the treasurer was required to provide him with extensive personal care and with the spring came the diagnosis of cancer. With his injury and diagnosis the requirements of return preparation was missed and then it was thought that the return was done until the letter was received from the IRS, where the error was realized.
