The valuation of a non traded REIT, business development company, and other alternative investments is either the initial offering price, or an estimated value (both provided by the issuer, or in limited circumstances provided by a third party pricing agent). This information is not intended to reflect the value you may realize if the issuer liquidates the security or if you sell your interests. In addition, please note that the total value of your account includes this estimated value. Please see the Disclosures section of this statement for more information.
