Annually, all those serving the organization in a fiduciary capacity, including directors, officers and key employees receive a copy of the policy and annual disclosure statement to be completed. The committee engages with external consultants to provide market data comparing the organization's roles to similarly sized health systems utilizing both title and job content comparisons. The committee reviews the market analysis, approves any salary adjustments for the executive population, considers both reasonableness and effectiveness of all remunerative programs and establishes the detailed performance expectations which are incorporated into the incentive plan. All of these discussions and decisions are documented through the provision of meeting minutes. The compensation of other officers and key employees of the organization are reviewed by an independent compensation consultant who reviews the salaries to ensure they are within market and market competitive. This is done on an annual basis, reviewed by either the organization's or a related organization's compensation committee and communicated to the other officers and key employees.</p>
