|            | Form 990,<br>Part VI,<br>Section B,<br>line 12c | <p>The organization had adopted CHE's Policy 103 prior to 11/27/12 and followed its own policy (SPHP Conflict of Interest) at year end which sets forth the organization's conflict-of-interest policy and processes. Annually, all those serving the organization in a fiduciary capacity, including directors, officers and key employees receive a copy of the policy and annual disclosure statement to be completed. Disclosures of financial interest or other reportable circumstances as defined in the policy are submitted and reviewed by the organization's CEO and members of the board. Summary information is reported to the entire board and available to the board throughout the year as business comes before the board or management for action. The policy contains a continuing affirmative obligation on all affected individuals to disclose compensation or other circumstances throughout the year which may rise to the level of an actual or apparent conflict. The determination of whether a disclosed financial or other interest constitutes a conflict of interest is made by the board or an appropriate committee thereof comprised of disinterested persons and without the participation of the affected individual except to respond to questions about the disclosure. The policy further addresses the procedure for the board's further consideration of the proposed transaction/matter without the participation of the affected person and the documentation of the proceedings. Lastly, the policy addresses potential disciplinary action for violations of the policy. The policy is available to the public upon request.</p> |

|            | Form 990,<br>Part VI,<br>Section B,<br>line 15 | <p>The organization relies on CHE to determine compensation for the CEO and President of the organization. The CHE board has an independent committee review and approve all elements of remuneration for all disqualified parties, as well as other key management. The board/committee has an established compensation philosophy which details the objectives of market positioning and pay elements. The committee engages with external consultants to provide market data comparing the organization's roles to similarly sized health systems utilizing both title and job content comparisons. The committee reviews the market analysis, approves any salary adjustments for the executive population, considers both reasonableness and effectiveness of all remunerative programs and establishes the detailed performance expectations which are incorporated into the incentive plan. All of these discussions and decisions are documented through the provision of meeting minutes. The compensation of other officers and key employees of the organization are reviewed by an independent compensation consultant who reviews the salaries to ensure they are within market and market competitive. This is done on an annual basis, reviewed by either the organization's or a related organization's compensation committee and communicated to the other officers and key employees.</p> |
