INDEPENDENT AUDITOR'S REPORT

To the Board of Trustees of
United Way of Bradford County

We have audited the accompanying financial statements of United Way of Bradford County (a nonprofit organization), which comprise the statement of financial position as of December 31, 2012, and the related statements of activities and cash flows for the year then ended, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of United Way of Bradford County as of December 31, 2012, and the changes in its net assets and its cash flows for the year then ended in accordance with accounting principles generally accepted in the United States of America.

UNITED WAY OF BRADFORD COUNTY

Notes to Financial Statements As of December 31, 2012

NATURE OF OPERATIONS AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

1. Nature of Operations

The United Way of Bradford County (the "Organization") is an affiliated member of the United Way of America. The Organization solicits contributions from local employers and individuals for the purpose of supporting operating expenses of selected not-for-profit agencies located throughout Bradford County, Pennsylvania.

2. Accounting Basis

The financial records of the Organization are maintained on an accrual basis of accounting.

3. Income Tax Status

The Organization is exempt from federal income tax under Section 501(c)(3) of the Internal Revenue Code.

4. Unfulfilled Pledges

As of the Balance Sheet date, there were unfulfilled pledges that are not recorded in the financial statements. The Organization reports and budgets allocations based on cash received. There is a high uncertainty that the pledges will be realized in the following year. As of the report date, no material pledges receivable had been collected.

5. Donated Services

A substantial number of volunteers have donated time to the Organization's program services during the year; however, these donated services are not reflected in the financial statements since the services do not require specialized skills.

6. Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosures of contingent assets and liabilities at the date of the financial statement and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.
