## INDEPENDENT AUDITORS' REPORT

To the Board of Directors  
National Greyhound Adoption Program, Inc.  
Philadelphia, Pennsylvania

I have audited the accompanying statement of financial position of National Greyhound Adoption Program, Inc. (a nonprofit organization) as of December 31, 2012, and the related statements of activities, functional expenses, and cash flows for the year then ended. These financial statements are the responsibility of the Organization's management. My responsibility is to express an opinion on these financial statements based on my audit.

I conducted my audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that I plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. I believe that my audit provides a reasonable basis for my opinion.

In my opinion, the financial statements referred to above present fairly, in all material respects, the financial position of National Greyhound Adoption Program, Inc. as of December 31, 2012, and the changes in its net assets and its cash flows for the year then ended in conformity with accounting principles generally accepted in the United States of America.

**NOTE 1 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES**

Organization and Nature of Activities

National Greyhound Adoption Program, Inc. (NGAP) is a nonprofit organization incorporated January 1991 under the laws of the Commonwealth of Pennsylvania and is exempt from federal income tax under section 501(c)(3) of the Internal Revenue Code. NGAP is also registered with the Commonwealth of Pennsylvania Bureau of Charitable Organizations. NGAP rescues retired racing greyhounds and places them as pets in adoptive homes. As part of its program, NGAP provides veterinary care, including surgery, to the greyhounds and other breeds and boards greyhounds for adoptive families. On May 8, 2012, NGAP registered with the Commonwealth of Pennsylvania, a fictitious name to do business as “Dutton Road Veterinary Clinic”.

Basis of Accounting

NGAP maintains its accounting records on the accrual basis of accounting under which revenues are recognized as earned and expenses are recorded as incurred and accordingly the financial statements reflect all significant receivables, payables, and other liabilities under generally accepted accounting principles for nonprofit organizations in the United States of America.

Basis of Presentation

Financial statement presentation follows the recommendations of the Financial Accounting Standards Board in its Statement of Financial Accounting Standards, SFAS No. 117, Financial Statements of Not-for-Profit Organizations. Under SFAS No. 117, NGAP is required to report information regarding its financial position and activities according to three classes of net assets: unrestricted net assets, temporarily restricted net assets, and permanently restricted net assets. As of December 31, 2012, NGAP held no assets which were temporarily or permanently restricted. Unrestricted net assets represent that portion of expendable funds that are available for support of the programs and operations of the Organization.

Cash and Cash Equivalents

For purposes of the statement of cash flows, NGAP considered certificates of deposit and all investments with an original maturity of three months or less when purchased to be cash equivalents.

**NOTES TO FINANCIAL STATEMENTS**

**NOTE 1 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)**

Accounts Receivable

Accounts receivable consist principally of rent due from tenants. Management deems all amounts to be collectible, therefore no allowance for doubtful accounts as been established.

Promises to Give

Contributions are recognized when the donor makes a promise to give to NGAP that is, in substance and unconditional. Contributions that are restricted by the donor are reported as increases in unrestricted net assets if the restrictions expire in the fiscal period in which the contributions are recognized. All other donor restricted contributions are reported as increases in temporarily or permanently restricted net assets depending on the nature of the restrictions. When a restriction expires, temporarily restricted net assets are reclassified to unrestricted net assets.

Donated Services and Supplies

Many individuals volunteer their time and perform a variety of tasks that assist NGAP with its programs. No amounts have been reflected in the financial statements for those services since they do not meet the criteria for recognition under SFAS No. 116, "Accounting for Contributions Received and Contributions Made."

Donated goods, including surgical supplies, food and medications are recorded at the estimated wholesale cost to NGAP.

Inventory

Inventory consists of food, medications and surgical supplies, daily health maintenance items and greyhound theme clothing and articles related to the care of greyhounds and multiple other breeds of canine and feline animals that are purchased for resale. Inventory is donated to the organization and is purchased by the organization. Inventory is then consumed by the organization, donated to other organizations or sold by the organization.

Inventory purchased by NGAP or held for resale is carried at the lower of cost or market with cost based on specific identification. Inventory donated to NGAP of food, medications, and surgical supplies are valued at estimated wholesale costs.

Certain inventory items including food, medications and surgical supplies carry expiration dates. In accordance with generally accepted accounting principles, these items which have expired are not included in valuation of inventory at December 31, 2012. Any expired items donated to other organizations are carefully disclosed with the expiration information.

Inventory also consists of donated vehicles which are generally sold for the benefit of the organization. Vehicles included in inventory at December 31 2012 are valued the estimated wholesale value.

Functional Allocation of Expenses

The cost of providing shelter, medical care and other activities and supporting services have been summarized on a functional basis in the statements of functional activities. Accordingly, certain costs have been allocated among the programs and supporting services benefited.

Income Taxes

The Organization is exempt from Federal income taxes under Section 501(c)(3) of the Internal Revenue Service Code and therefore, has made no provision for Federal or state income taxes in the accompanying financial statements.

NGAP follows the accounting standards for contingencies in evaluating uncertain tax positions. This guidance prescribes recognition threshold principles for the financial statement recognition of tax positions taken or expected to be taken on a tax return that are not certain to be realized. No liability has been recognized by the Organization as a result of the implementation of this standard. Management had determined that the NGAP has no unrecognized tax benefits at December 31, 2012. The federal, state tax returns of the Organization for 2010, 2011 and 2012 are subject to examination by the tax authorities.

Concentration of Credit Risk

Financial instruments that potentially subject NGAP to a concentration of credit risk, as defined by SFAS No. 105, consist principally of cash and cash equivalents. NGAP places its cash and temporary cash investments with financial institutions. At times, such balances may be in excess of the \$250,000 FDIC insurance limits. NGAP has not experienced any losses in such accounts.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts and disclosures. Actual results could differ from those estimates.
