The Realized Gain/Loss page provides summary information of closed transactions. Not all closed transactions appear on this page

We calculate cost basis using data that you or your client have provided to us or that we have obtained from market data supplied by third party source. We may also display cost basis data that we have not calculated but that has been supplied by you or your client, a prior custodian or another third party source. Because the accuracy of cost basis data depends upon these third party inputs, we are not able to guarantee the availability, accuracy or completeness of such cost basis data.

Only covered transactions will be reported to the IRS. Schwab does not provide tax or legal advice. Please have your clients consult with a tax advisor regarding their specific tax situation.

Footnotes apply where indicated on the data view
