Part III

Statement of Program Service Accomplishments

Check if Schedule O contains a response to any question in this Part III

☐

☒

1

Briefly describe the organization's mission

The mission is to commission research on and, where feasible, establish standards for athletic equipment. The Committee fosters and encourages the dissemination of information on research findings on athletic equipment, injury data, and other closely related areas of inquiry through the organizations represented on the NOCSAE Board of Directors, and other entities in the fields of athletic and sports medicine.

2

Did the organization undertake any significant program services during the year which were not listed on the prior Form 990 or 990-EZ?

☐ Yes ☒ No

If "Yes," describe these new services on Schedule O.

3

Did the organization cease conducting, or make significant changes in how it conducts, any program services?

☐ Yes ☒ No

If "Yes," describe these changes on Schedule O.

4

Describe the organization's program service accomplishments for each of its three largest program services, as measured by expenses. Section 501(c)(3) and 501(c)(4) organizations are required to report the amount of grants and allocations to others, the total expenses, and revenue, if any, for each program service reported.

4a

(Code) (Expenses \$ 1,575,251 including grants of \$ 1,575,251) (Revenue \$)

NOCSAE funded research resulting in the publication of more than ten peer-reviewed scientific journal articles on the topic of concussions in sports, injury epidemiology, and equipment performance. In addition, the Center for Injury Research and Policy at Nationwide Children's Hospital in Columbus, Ohio, in affiliation with Ohio State University, maintains a high school sports injury surveillance program and publishes results of that data with significant grant support from NOCSAE.

4b

(Code) (Expenses \$ 184,645 including grants of \$) (Revenue \$)

Establishment of athletic equipment standards through related research. On the basis of grant funded research, and direct contracted research, NOCSAE has drafted three new standards for baseball and softball protective headgear and face gear for defensive players, a youth football helmet standard, and is investigating the feasibility of a lacrosse helmet standard for women.

4c

(Code) (Expenses \$ 250,874 including grants of \$) (Revenue \$ 1,673,953)

Enhancement of the integrity of the NOCSAE standards and licensee compliance. This figure includes \$198,347 spent in maintaining and improving the integrity and accuracy of certifications made regarding compliance of specific equipment to the NOCSAE standards, and in modifying certain language in some standards, as well as collecting and reviewing testing certification data from many of its licensees, and in performing direct product testing where evidence was provided of a potential product failure. The total figure also includes \$52,527 apportioned from legal and administrative expenses to the enforcement of license agreement compliance and performance, litigation to enforce termination of noncompliant licensees, and compelling compliance with certain license agreement terms regarding product quality control and quality assurance.

(Code) (Expenses \$ 260,529 including grants of \$ 100,000) (Revenue \$)

NOCSAE continued to support CDC Heads Up to Parents, an online concussion education, training, and prevention program, which includes educational apps for smartphones, and a dedicated website maintained by the CDC which provides educational videos and training programs as well as helmet fit and maintenance information. NOCSAE also contributed \$100,000 towards the youth helmet replacement program developed by the NFL, USA Football, NOCSAE, and NAERA, which involved replacing old helmets in youth football programs in underserved and financially disadvantaged areas in 4 major cities and regions throughout the country. As part of this helmet replacement program, NOCSAE also began to develop an RFID based helmet inventory and tracking program to facilitate regular recertification of helmets.

	Form 990, Part VI, Section B, line 11	The 990 is submitted to the executive committee for review. This committee consists of the president, vice president, secretary, treasurer, and executive director.
	Form 990, Part VI, Section B, line 12c	Conflict of interest within the scope of the role of the organization would relate to equipment design, grant funding, or enforcement of license fee payments. Consequently, the potential for conflict is quite narrow, and easily monitored when those issues come up for discussion. Additionally, the organization requires that all grant applicants disclose any potential conflicts of interest in the grant approval process. This is the area which presents the greatest chance of significant conflict of interest. This is also the area which is most easily monitored, since the company can solicit conflict input from both the applicant and from the board.
	Form 990, Part VI, Section C, line 19	They are provided when requested. They are not posted as a matter of course on the website, although the minutes are available through a protected portal on the website, accessible by board members only. The minutes and financial statements and budgets are discussed during the public portions of the board meetings, which are open to the public. The meeting dates and locations are posted on the website.
