		The Association is a nonprofit corporation under Section 501(c) (6) of the Internal Revenue Code. Management of ESA considers the likelihood of changes by taxing authorities in its filed income tax returns and recognizes a liability for or discloses potential significant changes that management believes are more likely than not to occur, including changes to ESA's status as a not-for-profit entity. Management believes ESA met the requirements to maintain its tax-exempt status and has no significant income subject to unrelated business income tax, therefore, no provision for income taxes has been provided in the financial statements of ESA. Income tax returns for the years 2009 to present are subject to examination by tax authorities. SARRG accounts for uncertain tax positions in accordance with the income taxes accounting guidance. SARRG has analyzed filing positions in the federal and state jurisdictions where it is required to file tax returns, as well as the open tax years in these jurisdictions. Tax years 2009 to present are subject to examination by tax authorities. SARRG believes that its federal income tax filing positions and deductions will be sustained on audit and does not anticipate any adjustments that will result in a material change to its financial position. Therefore, no reserves for uncertain federal income tax positions have been recorded, nor have any federal income tax related interest or penalties been incurred for the year ended December 31, 2012.
