Part V - Transactions With Related Organization

Our Association enjoys free use of a facility (owned by the City of Culver City) that includes meeting rooms, classrooms, office space, fitness room, billiard room, lunchroom, a large parking lot (for which we collect and keep fees from membership for parking). The facility is staffed by city employees. The city also provides Vans and drivers to transport our members. We have estimated the total value of these benefits at \$250,000 annually.

Our Association is independent. It is governed by an eleven member Board of Directors elected by the members, and is not controlled by the city. Transactions between our Association and the city are at arms length.

Each year the Association makes a cash grant to the city to help offset part of the expenses to maintain the facility. For the year 2012 total grants to the city were \$51,150
