INDEPENDENT AUDITORS' REPORT

To the Board of Governors of
Middle East Forum

We have audited the accompanying statements of financial position of Middle East Forum (a non-profit organization) as of December 31, 2012 and 2011 and the related statements of activity, functional expenses and cash flows for the years then ended. These financial statements are the responsibility of the Organization's management. Our responsibility is to express an opinion on these financial statements based on our audits.

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audits to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audits provide a reasonable basis for our opinion.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Middle East Forum as of December 31, 2012 and 2011 and the changes in its net assets and its cash flows for the years then ended in conformity with accounting principles generally accepted in the United States of America.

MIDDLE EAST FORUM

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2012 AND 2011

NOTE A - SUMMARY OF ACCOUNTING POLICIES

A summary of the Organization's significant accounting policies consistently applied in the preparation of the accompanying financial statements follows:

1. Nature of activities

The Middle East Forum (the Organization) is a non-profit organization that (1) promotes American interests in the Middle East and (2) protects Western values from Middle Eastern threats. The Organization's work includes research, publications, educational programs, media outreach, activism, and networking. The Organization's support comes primarily through donations and subscriptions to its quarterly journal.

2. Basis of accounting

The financial statements of the Organization have been prepared on the accrual basis of accounting and accordingly reflect all significant receivables, payables, and other liabilities.

3. Basis of presentation

Financial statement presentation follows the recommendations of the Financial Accounting Standards Board in its Statement of Financial Accounting Standards (SFAS) No. 117, *Financial Statements of Not-for-Profit Organizations*. Under SFAS No. 117, the Organization is required to report information regarding its financial position and activities according to three classes of net assets: unrestricted net assets, temporarily restricted net assets, and permanently restricted net assets.

4. Cash and cash equivalents

The Organization considers all highly liquid instruments with a maturity of three months or less when purchased to be cash equivalents. Cash and cash equivalents for purposes of the statement of cash flows exclude permanently restricted cash and cash equivalents.

5. Public support and revenue

Annual campaign contributions are generally available for unrestricted use in the related campaign year unless specifically restricted by the donor. Grants and other contributions of cash and other assets are reported as temporarily restricted support if they are received with donor stipulations that limit the use of the donated assets. When a donor restriction expires, that is, when a stipulated time restriction ends or purpose restriction is accomplished, temporarily restricted net assets are reclassified to unrestricted net assets and reported in the statement of activities as net assets released from restrictions. Contributions received with donor-imposed restrictions that are met in the same year in which the contributions are received are classified as unrestricted contributions.

MIDDLE EAST FORUM

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2012 AND 2011

NOTE A - SUMMARY OF ACCOUNTING POLICIES (CONTINUED)

5. Public support and revenue (continued)

Contributions of donated non cash assets are recorded at their fair value in the period received. Contributions of donated services that create or enhance non financial assets or that require specialized skills, are provided by individuals possessing those skills, and would typically need to be purchased if not provided by donation, are recorded at their fair values in the period received.

6. Property and equipment

It is the Organization's policy to capitalize property and equipment over \$500. Lesser amounts are expensed. Purchased property and equipment is capitalized at cost. Donations of property and equipment are recorded as contributions at their estimated fair value. Such donations are reported as unrestricted contributions unless the donor has restricted the donated asset to a specific purpose. Assets donated with explicit restrictions regarding their use and contributions of cash that must be used to acquire property and equipment are reported as restricted contributions. Absent donor stipulations regarding how long those donated assets must be maintained, the Organization reports expirations of donor restrictions when the donated or acquired assets are placed in service as instructed by the donor. The Organization reclassifies temporarily restricted net assets to unrestricted net assets at that time. Property and equipment are depreciated using the straight-line method. Depreciation expense at December 31, 2012 and 2011 was \$1,418 and \$5,411.

7. Use of Estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires the use of management's estimates.

8. Investments

Investments are composed of equity securities and are carried at their fair value.

9. Functional Allocation of Expenses

The costs of providing the various programs and other activities have been summarized on a functional basis in the statement of activities. Accordingly, certain costs have been allocated among the programs and supporting services benefited.

	<u>\$ 213,749</u>	<u>\$ 192,036</u>	<u>\$ (21,713)</u>

The Organization adopted FASB ASC 820, *Fair Value Measurements and Disclosures*, for assets and liabilities measured at fair value on a recurring basis. The codification established a common definition for fair value to be applied to existing generally accepted accounting principles that requires the use of fair value measurements, establishes a framework for measuring fair value, and expands disclosure about such fair value measurements.

FASB ASC 820 defines fair value as the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date and establishes a framework for measuring fair value. Additionally, FASB ASC 820 establishes a three-level hierarchy for fair value measurements based upon the transparency of inputs to the valuation of an asset or liability as of the measurement date. The three levels are defined as follows:

MIDDLE EAST FORUM

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2012 AND 2011

NOTE B - INVESTMENTS (CONTINUED)

Level 1 - inputs to the valuation methodology are quoted prices (unadjusted) for identical assets or liabilities in active markets.

Level 2- inputs to the valuation methodology include quoted prices for similar assets or liabilities in active markets, and inputs that are observable for the asset or liability, either directly or indirectly, for substantially the full term of the financial instrument.

Level 3 - inputs to the valuation methodology are unobservable and significant to the fair value measurement.

A financial instrument's categorization within the valuation hierarchy is based upon the lowest level of input that is significant to the fair value measurement.

At December 31, 2012 and 2011, marketable securities consisted of exchange traded funds that were measured using the Level 1 valuation hierarchy.

The following schedule summarizes the investment return and its classification in the statement of activities for the years ended December 31:

	<u>2012</u>	<u>2011</u>
Unrestricted:		
Interest and dividends	\$ 6,577	\$ 5,567

Net realized and unrealized losses	<u>-</u> <u>5</u>	<u>-</u> <u>5</u>
Total investment income (loss)	<u>\$ 34,238</u>	<u>\$ (11,156)</u>

NOTE C - LOAN RECEIVABLE

Loan receivable from a professional entity to be repaid from proceeds from a settlement, judgment or arbitration award that provides attorneys' fees. The loan is uncollateralized with no stated interest rate. The organization has committed to loan the entity up to a maximum of \$250,000.

NOTE D - INCOME TAXES

The Organization was granted tax exempt status under Section 501 (c) (3) of the Internal Revenue Code. Therefore no provision for income taxes has been made in these financial statements. The Organization has also been classified as an entity that is not a private foundation within the meaning of Section 509(1) and qualifies for deductible contributions as provided in Section 170(b) (1) (A) (vi).
