Textron Matching Gift Guidelines

Textron is committed to responsible corporate citizenship and helping improve the quality of life in communities where our employees live and work. We view our public responsibility as an integral part of our business and actively seek out partnerships with agencies that develop and implement innovative solutions to community needs. The Textron Matching Gift Program provides an opportunity to join with employees in supporting this commitment. The Textron Charitable Trust provides funding for the program.

Eligible Participants

Any full-time employee or member of the Board of Directors of Textron is eligible to participate. Part-time, temporary and retired employees are not eligible. Neither gifts from spouses and other family members, nor gifts made jointly by several individuals are eligible for matching funds.

How the Program Works

Textron will match paid contributions between \$25 USD and \$7500 USD per individual, per calendar year, to eligible institutions at a 1:1 ratio, for a maximum Textron contribution of \$7500. An individual may attain their \$7500 limit by giving a one-time \$7500 contribution or by making several smaller gifts. Gifts must be made directly from the employee's/director's own funds to approved eligible organizations.

Contributions must be paid by cash, check or negotiable securities that have a publicly listed market value. The value of securities will be determined based upon the closing market price on the date of the gift. No other form of personal or real property, gifts in-kind, materials, gifts made by will or similar mechanisms or supplies will be matched. Matching gift requests must be registered within 90 days of the date of the gift. Contributions made on or before December 31 will be credited to an individual's limit for that calendar year. All contributions are checked against these guidelines.

Non-U.S. Matching Gifts

Gifts made in non-U.S. countries must be equivalent to a minimum of \$25 USD. All non-U.S. matching gift payments will be paid to the charity in the local currency of the country the charitable organization is located.

Eligible Organizations

U.S. Organizations:

Organizations eligible to receive Textron matching gifts include institutions located in the United States that are recognized by the Internal Revenue Service (IRS) as tax-exempt and designated a public charity under Section 501(c)(3) of the IRS Code.

Non U.S. Organizations

Eligibility guidelines for non U.S. organizations follow the U.S. guidelines. In addition, all non U.S. organizations must be validated to ensure they comply with all U.S. IRS regulations and laws. Non-U.S. organizations will be required to complete validation forms in **English** and return them to Textron's matching gift administrator.

Matching gift payments will be made after Textron receives the completed validation forms proving that the non-U.S. organization is equivalent to a 501(c)(3) U.S. charitable organization. *(This process may take an extended period of time depending on the charity's timeliness and desire to complete and provide the necessary information for the validation process.)*

Ineligible Organizations

U.S. Organizations:

Churches, synagogues, mosques and other institutions that are primarily religious in nature are ineligible for the program. Exceptions include religious organizations that have separate 501(c)(3) designations where the funds are to be used exclusively for a non-denominational social, educational or health service..

The 2012 Textron Scholarship Program is no longer accepting Entry Forms.

2012 Textron Scholarship Program

~~For high school junior (11th grade/third year) students who will be completing or leaving high school and entering a regionally accredited U.S. college in the fall of 2012.*~~

The Textron Scholarship Program

This scholarship program was established by Textron Charitable Trust for sons and daughters of Textron Inc. employees. The annual competition is conducted through the National Merit Scholarship Program by National Merit Scholarship Corporation (NMSC), an independent, not-for-profit organization. NMSC's purposes are (1) to identify and honor exceptionally able high school students and (2) to provide a system of services for corporations, foundations, and other organizations that wish to sponsor college undergraduate scholarships for outstanding students who interest them. All aspects of the selection of winners and the administration of their awards are handled by NMSC.

Who is eligible?

Only high school students who are sons and daughters full-time employees of Textron Inc. or its business units can compete for these scholarships. Such students also must meet all requirements for participation in the National Merit Scholarship Program that are published in the *Official Student Guide to the PSAT/NMSQT* which is updated annually and distributed to students through their high schools.

To participate in the program, students must take the qualifying test, the Preliminary SAT/National Merit Scholarship Qualifying Test (PSAT/NMSQT) during the proper high school year. In general, students who spend the usual four years in grades 9 through 12 must take the PSAT/NMSQT when they are in their third year (grade 11/junior year). **A participant also must be a citizen of the United States; or be a U.S. lawful permanent resident (or have applied for permanent residence, the application for which has not been denied) and intend to become a U.S. citizen at the earliest opportunity allowed by law.** The *Official Student Guide to the PSAT/NMSQT* explains these and other requirements for the competition, gives detailed information about the test (including sample questions and a complete practice test), and describes the scholarship programs NMSC administers.

* Students who plan to leave high school a year (or more) early to enroll in college full time should refer to the *Official Student Guide to the PSAT/NMSQT* (or contact NMSC) about when to take the qualifying test.

How does a student enter the 2012 Textron Scholarship Program?

To enter the competition for Textron Scholarships to be awarded in the spring of 2012:

1. A 2012 Textron Scholarship Program Entry Form must be completed and submitted by **February 28, 2011**. ~~The Entry Form for the 2012 competition is provided in Entry Step 3 (Complete Entry Form); and~~
2. The student must take the PSAT/NMSQT in the fall of 2010, on the date their school chooses for the administration -- either Wednesday, October 13 or Saturday, October 16, 2010. At the beginning of the 2010 - 2011 school year, the student should obtain a copy of the *2010 Official Student Guide to the PSAT/NMSQT* from the high school counselor and make arrangements with the school to take the PSAT/NMSQT in October.

Important information regarding the PSAT/NMSQT:

- The 2010 PSAT/NMSQT is the qualifying test to enter the 2012 competition. Scores from prior PSAT/NMSQT administrations (2009 or earlier) cannot be used for participation in the 2012 program.
- The 2010 PSAT/NMSQT will be administered on Wednesday, October 13 or Saturday, October 16.
- The 2012 Textron Scholarship Program Entry Form can be submitted prior to the student taking the October 2010 PSAT/NMSQT and/or receiving his/her official score report.
- As a sponsor of the examination, NMSC receives all 2010 PSAT/NMSQT scores and information students provide on their answer sheets. Therefore, students do not need to report their PSAT/NMSQT scores to NMSC.
- For more information about the PSAT/NMSQT or the National Merit Scholarship Program, visit NMSC's Web site at www.nationalmerit.org

NOTE: A student who does not take the 2010 PSAT/NMSQT because of illness, an emergency, or other extenuating circumstances (but meets all other participation requirements) may still be able to enter the 2012 competition. To request information about possible arrangements for alternate testing,

the student must write directly to NMSC as soon as possible after the October 2010 PSAT/NMSQT administration but no later than March 1, 2011. The student should not delay; the earlier the student writes, the more options there are for scheduling test dates. The letter must be postmarked on or before March 1, 2011 for the request to be considered. Write to National Merit Scholarship Corporation, Attn: Educational Services, 1560 Sherman Avenue, Suite 200, Evanston, Illinois 60201-4897; telephone (847) 866-5100.

How are winners selected?

All Textron Scholarship winners in 2012 will be chosen from a group of candidates who (1) score high on the 2010 PSAT/NMSQT and (2) are notified by NMSC in the fall of 2011 that they may receive further consideration for a scholarship by meeting several academic and other requirements set by NMSC. Scores from the 2010 PSAT/NMSQT will be used by NMSC as an initial screen of applicants in the 2012 Textron Scholarship Program. **Entrants who advance in the competition will be contacted by NMSC on or before December 31, 2011.** (Only those entrants who advance in the competition will be notified and receive materials from NMSC.) These students and their high school principals will complete applications that include biographical and academic information that must be filed with NMSC. Scholarship winners will be chosen on a competitive basis and without regard to family financial circumstances, gender, race, ethnic origin, or religious preference. An NMSC committee of professionals trained in selection will choose the winners by evaluating several factors about each eligible candidate; these include academic record throughout high school, significant activities and contributions to the school and community, test scores, the school's recommendation of the candidate, and the student's essay about personal characteristics, activities, plans, and goals. In most cases, winners will be notified by NMSC in March of 2012. All winners are notified directly, prior to any public announcement that may be made about recipients.

What is the amount of the award?

The stipend for each Textron Scholarship winner is determined individually by NMSC and can range from \$500 to a maximum of \$2,000 per year for up to four years of college undergraduate study or until baccalaureate degree requirements are completed, whichever occurs first. The amount of the stipend takes into account educational costs of the college to be attended, family financial circumstances, and other scholarship aid the winner receives. NMSC may increase or decrease the winner's annual stipend, within the minimum and maximum limits set for the scholarship, if there is a change in the college to be attended, a change in other scholarship aid received, and/or significant changes in family finances.

Are there requirements that scholarship winners must meet?

Yes. The formal Textron Scholarship offer that NMSC sends to each winner specifies terms for acceptance and continuation of the award. A winner must enter college in the fall term following selection and must enroll as a full-time undergraduate in a college or university in the United States that holds accredited status with a regional accrediting commission on higher education. (Scholarship

stipends are not payable for attendance at service academies, virtual universities, and certain institutions that are limited in their purposes or training.) Also, the winner must attend college during the day, enroll in a course of study leading to one of the traditional baccalaureate degrees, and remain in good academic and disciplinary standing.

Who handles scholarship procedures?

~~All phases of the competition, including the selection of winners and payment of scholarship stipends are handled for Textron Charitable Trust by National Merit Scholarship Corporation.~~
