SCHOOL PROJECT:

Aletheia Banjara School (ABS): This year there are 356 students from more than 25 villages. The children range from lower kindergarten through sixth grade, are taught in English by 12 teachers and are supported by a principal and one administrator.

Nine staff assist the school in the kitchen, on campus, and in classrooms. Aletheia places a high priority on educating girls. In 2009, there were only 64 girls in the school. By 2012, the number of girls had grown to 118 (33% of the total served). The literacy rate for Banjara women is only 3%. Aletheia is very proud to see this growth and its goal is to reach a 50-50 ratio with boys in the student body.

Aletheia provides opportunities and facilities to acquire knowledge through classroom teaching and extra-curricular activities. The academic program is designed to prepare students not only for college, but also for life beyond college. Serving pre-school to high school aged children, ABS provides a God-centered curriculum in the classical Indian tradition, nurturing and challenging students to attain their fullest potential. Qualified and committed teachers are not just dispensers of information, but are mentors, coaches, and positive role models. Co-curricular activities enrich the educational program. Through athletics, fine arts, participation in AWANA Clubs, and organizations, students gain real-world experience in team work, leadership, and organizational skills. Aletheia's classical approach to education helps students learn to think beyond facts, acquiring wisdom and eloquence in process. Students are being taught to think critically, speak articulately, and write persuasively. The school provides free power-packed nutritious drinks; lunch consisting of a vegetable curry, dal and half polished rice, and a boiled egg; and purified drinking water. Students undergo a medical checkup once every six months and a health record is maintained for each child.

Discovering God's creation through SCIENCE: Students recently participated in a school-wide science fair. Projects covered geography, geology, physical science, ecology, biology and neurology. Special guests of the science fair included the Deputy Educational Officer of the Nalgonda district and over 500 public school students. ABS students prepared over 70 individual science projects and mastered oral presentations of their work.

Visit of ICS-Singapore: Students from the International Community School (Singapore) visited ABS to teach basic English skills. The group included instructors from Canada, Korea and the United States. Students from ICS taught English in the mornings and various games and songs in the afternoons.

Students acted like Teachers: The birthday of Dr. S. Radhakrishnan, the second President of India, is celebrated as Teachers' day on September 5th. It was fun to watch the students enact the role of teachers. The teachers were honored in recognition of their services to the school. The students conducted games and competitions for the teachers and prizes were distributed.

CAPITAL IMPROVEMENTS:

Community Trough: International Community School (ICS) also worked on building a water trough to be used by the community. Banjara people love animals. Almost every family owns a few cattle. But the villages don't have a convenient place for the animals to drink water. Global Banjara Baptist Ministries identified this need and brought it to the management of ICS. ICS was kind enough to consider the need and the President of ICS supported the opening of the trough. We thank ICS for its help.

"Go Green" tree planting: As a part of the community development activities of Aletheia Banjara School, a unique "Go Green" tree planting was organized on July 12, 2012 to bring awareness of global warming and the necessary preventive steps to take to protect the environment. More than 10,000 plants were given to the students of

Aletheia to distribute in their villages. This initiation was very much appreciated by the parents, villagers, and the local authorities. "Go Green" has enabled Aletheia to surge into local communities.

MICRO-BUSINESSES

GBBMI continues to sponsor six micro-businesses in the region. These businesses include two buffalo milking projects, one goat herd, two grocery stores, and one grain grinding operation.

MEDICAL EDUCATION

Awareness Camps: Global Banjara Baptist Ministries conducted various Awareness Camps throughout the year. Topics included HIV/AIDS, educational, social, and medical issues, and governmental plans for rural development. These camps opened doors for us to interact with the needy and, in most cases, allowed us to share the Gospel and win many for Christ.

AGRICULTURAL SUPPORT

Helping Banjara Farmers: GBBM provided awareness and assistance to Banjara farmers on modern crop management, which helped significantly increase crop production. This mission also attracted non-believers in the community, which allowed us to share the Gospel of Christ.

VISITS FROM GBBMI MISSIONARY TEAMS AND OTHERS

Regional Revival Meetings were conducted in the months of April and May. Brother Lynn Brechbill from Lincoln, Nebraska shared the message from God at these gatherings.

MINISTERIAL ACTIVITIES

Motorcycle Purchase: Banjara villages are scattered over a wide area. Banjara ministers cover many villages. Most people are available for ministry in the morning and evening. Little or no transportation is available to Banjara villages and then only during daylight hours. Many Banjara villages have no proper roads. When we go

out on foot, we come across snakes and scorpions in certain seasons. With a motorcycle, one minister now can visit several places in a day, whereas he used to be able to visit only one village. He can take his wife or another believer with him, since there is no additional cost. At the end of the day, he can return home to be with his family. It also gives him more time flexibility because he doesn't have to rush for a limited public transport or wait for many hours for a packed auto-rickshaw.

Youth Rally: A one-day youth rally was conducted on June 2nd in the Kodad. More than 150 Banjara men and women attended this meeting from the surrounding towns and villages. Reverend Srinivas Naik shared the Word of God with this group and several attendees dedicated their lives to Jesus.

Amazing Testimonies:

Dhansingh, a boy who is physically challenged, attends our school. During his first year, his mother used to carry him to school in her arms. For his second year, he was provided with a wheel chair. The following year, he received hand stretchers. Dhansingh now is walking on his own without any support. Still using the stretchers, he plays with the other kids and is able to kick the soccer ball. He was miserable the first year he came to school, but today he is one of the happiest boys here. GLORY to GOD ALMIGHTY who has blessed the life of this boy through Aletheia Banjara School.

Sridevi's son was suffering from a very rare kidney infection which has no permanent cure, which will require medication for the rest of his life. The boy was vomiting everything that he ate and drank. His health was deteriorating day-by-day and his growth was stunted. GBBM Pastor Joseph became aware of the situation and visited the disturbed parents. He imparted the Word of God and started praying for healing. The parents, Pastor and other Banjara believers conducted fasting prayers. Miraculously, the boy started recovering and regained complete health. He now lives

normally. Sridevi acknowledges that it is only the act of Lord Jesus Christ that
healed her son and praised the Lord for His wonderful healing. This incident has
lead Sridevi and her husband to accept the Lord Jesus Christ as their savior.
