Part III Statement of Program Service Accomplishments

Check if Schedule O contains a response to any question in this Part III

1 Briefly describe the organization's mission:

To provide practical and emotional support to Caregivers and individuals needing care through educational programs; daily money management; conservatorship; care coordination services; trust administration; guardianship; placement services etc.

2 Did the organization undertake any significant program services during the year which were not listed on the prior Form 990 or 990-EZ? Yes No

If "Yes," describe these new services on Schedule O.

3 Did the organization cease conducting, or make significant changes in how it conducts, any program services? Yes No

If "Yes," describe these changes on Schedule O.

4 Describe the organization's program service accomplishments for each of its three largest program services, as measured by expenses. Section 501(c)(3) and 501(c)(4) organizations are required to report the amount of grants and allocations to others, the total expenses, and revenue, if any, for each program service reported.

4a (Code:) (Expenses \$ including grants of \$) (Revenue \$ 120921.38)

Care Coordination Services involve literally every aspect of coordinating and overseeing the care for a Senior or Disabled Adult. We do not have such sophistication as to provide itemized breakouts in revenue by specific program since many aspects of program services overlap and intertwine.

4b (Code:) (Expenses \$ including grants of \$) (Revenue \$ 23583.87)

Daily Money Management involves the fiduciary handling of individual's income and expense distribution. This is done primarily to protect Seniors from exploitation and financial abuse but also to help them manage their funds and pay for the care they need in an effective and rationale manner. Many of these same clients have Care Coordination Services or other Program Services.

4c (Code:) (Expenses \$ including grants of \$) (Revenue \$)

Conservatorship, Guardianship, Special Needs Trust Administration frequently involve services that go beyond both the fiduciary responsibilities of money management and the care coordination duties. They involve services ranging from insuring medical services are properly provided and educational opportunities are maximized appropriately. When general trusts are administered the terms of the trust must be carried through specifically and transparently. In 2012 we had not broken down these service fees out of Care Coordination services, thus their figures are reflected under 4a.

4d Other program services (Describe in Schedule O.) (Expenses \$ including grants of \$) (Revenue \$)

4e Total program service expenses ▶
