Part IV **Supplemental Information.** Complete this part to provide the information required in Part I, line 2, Part III, column (b), and any other additional information.

We do not give grants to individuals but to schools or education entities (organizations) who have been qualified as our "affiliates". (We do not use the term affiliates in the same sense as the IRS. Rather, they are local independent organizations with which we partner to achieve common goals; primarily that of offering education from a Christian worldview perspective. These organizations are qualified by a process of formal applications, interviews with administrators and boards, visits to campuses to see personnel and process, etc.) Grants are given based on specific demonstrated need. If it is to assist with student tuition scholarships, the organization communicates to us their enrollment and amount accepted in need of qualified charity assistance or submits specific students along with their need for which they are seeking help with tuition. If a grant is given for other needs of the organization which is essential to the education they provide, the organization is typically required to give 3 specific reports on the completion and outcomes of the improvement.
